(The following is a copy of the inclosed Memorandum above mentioned)

Mr. Chase is requested by the Council of Safety to furnish them with the Price and Dimensions of the Chevaux de frise lately made at Philadelphia.

— To inform them whether any Thing and what has been done in Congress, in consequence of a Resolue of the late Convention relative to the Canvass imported into this Province by Mr. Juge a Foreigner.

Whether Mess^{rs} Willing and Morris have received a Letter from Mess^{rs} Chamberlaine, Rose & Ringgold, or either of them, advising them, that this Province would receive 5 Tons of the Salt-Petre imported by said Willing & Morris manufactured into Gun-Powder, in Part. In charge of the Powder to be furnished by them and whether they have taken any Measures in consequence of it. Whether there are any Match coat Plans or Plans to be got in Philadelphia or New-York to transmit the Plates and Paper directed by the Motion Bill to be procured at Philadelphia, as soon as possible.
