

procure Arms and Ammunition, but are fearful, from the
AdVICES that we have lately received, our Endeavours
will not be attended with the Success we wished and
had Reason to hope for.

We are &c

N. H. To Captain Nathaniel Ramsay

Sir, We are advised by a Letter, which Mr. Chase
favoured us with from Charles Town the 2^d Inst, that you can
procure about the Quantity of 1000 Yds of Country Cloth at
about 8/6 Yard and Linen (Country made) from 2/4 to 2/8
fit and proper for Hunting. Shirts, sufficient for your Com-
pany — The Cloth we request you will immediately purchase
for the Use of the Province, unless from its Narrowness
you should think it dearer than Broad-Cloth of equal
Quality at 15/ (per Yard); and if the Linen should exceed
Ozma brigs in Width, so as to reduce the Price nearly to
that of 2/4 Yard, we would have you buy the Linen
also, as we presume it is superior to Ozma brigs, and as
we would give the Preference to what is manufactured
among our selves, when we can do it consistently with
The 1
