

to provide the several Articles, which compose a Quota and it cannot reasonably be expected he will be able to furnish them earlier than the 10th of next Month, the Troops must be subsisted on the 7/6 of Week allowed for that Purpose in the Instructions for enlisting Men. -

The Captains of Independent Companies agreeable to a Resolve of the last Convention are to provide Houses for their respective Companies and such Sums of Money are to be advanced out of the Treasury of that Town, where their Company may be stationed, by Permission of the Council of Safety, as may be necessary for the Purpose. - Capt. Gunby will therefore provide Houses for his Men upon the best Terms he can and advise us thereof, that we may give him an Order for the Money on the Eastern Shore Treasurer if it should be necessary to advance any - but as it will be expedient the Station of that Company should be first ascertained, and as we are not so well acquainted with your County, as to determine satisfactory to ourselves, and most advantageously to you upon
