

the Convention, that one half of Captain Agin Beall's  
Company are to be stationed in your County, we understand  
the Officers of that Company are drawing their Men  
together, and are desirous of knowing where they are to be  
stationed so as to answer the Purpose intended - We  
know not, where proper Houses can be got in your County  
and therefore request you would make Enquiry and  
let us know your Sentiments, where the Men ought  
to be stationed, and whether convenient Houses can be  
got for them -

As the follg Order was sent to the General Com-  
mittee of Observation <sup>for those Counties</sup> where whole Independent  
Companies were stationed. -

Gentn, Agreeable to the Resolves of the last Convention  
an Independent Company is to be stationed at such Place  
in your County, as the Council of Safety may think  
proper, but as we are not so well acquainted with your  
County, as to determine where they may be most convenient-  
ly posted, we shall be glad the Committee of Observation  
would take the Matter under Consideration and give
