

present on giving particular instructions and as  
some efforts may be made to land among you  
with a view of getting Provisions, we desire you  
will order and direct them, as Exigencies may require  
and endeavour to repel any hostile Attempts, —  
which may be made within your Districts — Mr.  
Thomas Smyth is now at Chester Town and we  
request you will advise with him occasionally. —  
March 9. 1746

---

We are &c

N: 40. To Capt. James Mendenham.

For your Request with regard to Mr. Treager hath  
been complied with; he has got his Commission made  
out. — We have some Linen and Cloth, but no doubt,  
not enough for the Battalion and Independent  
Companies, therefore get for yourself, if you can, if not  
we will endeavour to supply you. — What we will  
procure at Baltimore Town, Blankets and Guns you  
may get for yourself at reasonable Prices — our  
Arms are very slow in coming from the North —
