12th March 1776

N: 55. To Captains Henry & Kent

Gent^l We have received your Favor of the 28th
February, communicating the agreeable Information that
our Letter of the 14th had given much Satisfaction to you
and your respective Companies, and also that you had arrived
at your Station after a long and fatiguing March
in good Health and Spirits - and are sorry it is not
in our Power to make Provision for those Gentlemen
who at your Request attended you in the Characters
of Physicians, however we assure you we will represent
the Matter to the next Convention, and do not doubt
they will take it into Consideration, and compensate
them for their Trouble and the Services they may
render - We will supply you by the first safe
Opportunity with what Money we apprehend
