

Philadelphia 25th February 1796

Gent^l

Mr. Alexander Ross, a Gentleman of our Acquaintance, has applied to us to procure for him from Congress, a Passport to Lord Dunmore, upon whom he says he has a very considerable claim, which he hopes he should be able to procure, and he has an opportunity of making a personal Demand. From the Multiplicity of Business now before the Congress and Applications of this kind would be attended with great Delay, and as a License from your Honorable Board will be at least as effectual, we take the Liberty of recommending him to your Indulgence, being well persuaded he will religiously observe any Injunctions you may think proper to lay him under.
