

will have done as soon as possible - we would have you  
purchase the Muskets you mention at 75 each and are  
glad to hear you can get cloth to cloath your Company  
we desire it may be made up as soon as it can be  
done, - The Price you are asked for Knives at Oxford  
for Barracks is most extravagant, and much higher  
than from the Informations we have received ought to  
be given, and we request you would endeavour to procure  
them or others at a lower Rate. - Lamp Kettles are  
an Article that cannot be procured in this Province  
we have procured you some Pots, which we conceive, as  
you are now and may for some Time remain at your  
Barracks, will well answer every Purpose, you have  
occasions for at present - Platters we shall have  
ready for you next Week and will send by first  
Opportunity - and we have inclosed to you two Orders  
one the Treasurers of the East India House one for £100 - your
