

What you think, — we have sometimes found much
difficulty in transaction of business, that originally had
been under your direction, for the want of the contracts
and other papers relative thereto, and we should be glad
that you would transmit to us, as soon as you conveniently
can, all the agreements and papers you have in your
possession respecting the public, of which papers may
come under the inspection and cognizance of our
Board — we hope soon to hear of your being
restored to perfect health, and are

N^o 23. To Mr Joseph Hollingsworth

Sir, We have received your letter with regard
to the refusal made at Whitstone Point, and
altho' you declined acting in your first letter,
we are pleased to find you have since accepted
