

1136 To George Montagu Esq^r

Sir, Representations have been made by the
Council of Safety this morning by Mr. Samuel Galloway,
and others, inhabitants of this Province, setting forth
that a number of white servants, belonging to the several
persons so applying, had run away from the service of
their masters. — we are also informed that a soldier in
the service of this Province had deserted from Captⁿ Sells
company. — a flag is sent with the list of the servants,
to request the delivery of them, and of the soldier, if they
should be found on board, and if they, or any others should
hereafter attempt to get on board, we expect they will
not be received. — we are authorized by the convention
to say that the people of this Province will strictly
obey the laws, in confidence that Captain
Montagu will do the same.
