

enabled to defeat any such designs. You will by the
return of the Cart send us such of the arms, as you now
have, that are so defective, and bad, that cannot be used.
we imagine that these muskets and rifles are more than
you will want at Drumpoint, and that the surplus
you will send to Capt. Thomas. — we expect that some
are arrived at Port Tobo for the Troops stationed there,
before this time. —

N^o 65. To Captain Projer Bialer.

Sir

The Man of War this moment broke ground
and is on her way down the Bay. — We have dispatched
a Cart with 60 stands of arms; by it you may return
such of your muskets, as are not fit for service — we refer
you to our letter of 24th, by which you are to govern
yourself.
