

No. 44. To Lieut. Bennet B. B. B.

We have this minute received your favour of the 26th instant of Sergeant Smith, and are much concerned to hear the small pox has broke out among the Party under your command. We think it most advisable that all the men under your command, who have not had the small pox, should be immediately inoculated, and desire you would apply to Doct^r Coxig for that purpose, you will make the best bargain you can with the Doctor; all necessary expences will be paid by the Council in behalf of the Province.
