

we thought it most proper to refer the consideration of
their claims, and proposals with all the papers and letters
relatives to that transaction, to the Convention, who
have concurred with the reports of their Committee of
Claims, which we send you inclosed. — you will therefore
give make known to those you treasure this resolution
of the Convention, and you will proceed agreeable to
the instructions we have given you respecting those
cargoes, and you will please to inform those gentlemen
we will pay the particular sums to their orders — direct.
Mason has made known to us that there are wanting
for the artillery how 200-4th Balls, 200 6th Dicks of 400
3rd D^o. — These are cash at the Kingsbury Furnace,
and we request the favour of you to expedite them,
as soon as they possibly can be done. ✓
