

N. 14. To Mr. J. H. Hollingsworth

Sir We have four hundred and fifty yards of
brown by Simon Gouth fit for making Tents, and
want a man from Baltimore immediately
to make it up - we shall be much obliged to
you, if you will send us such a Person down
without delay, as the Service will be greatly
forwarded by it - If a Person can be got to
make it up in Baltimore, it shall be sent
to you on Notice immediately.

10th July 1746.

N. 16. To Brigadier General. Buchanan,

Sir, There is an indispensable necessity that the Militia for
the Flying Camp should be provided as soon as they are raised with
cartouch Boxes, but as this cannot be accomplished in proper time
