

engage proper persons to make them into tents immediately  
a sample shall be furnished from Baltimore in your  
committee will be pleased to have 500 wooden bottles made, as soon  
as possible for the use of the Province agreeable to the  
sample delivered Capt. Smyth; we also send to your committee  
30 Camp-bottles for the use of the Flying Camp; Snuff-pouches  
with Flanels are already contracted for, and we expect will  
be completed in a very little time - Capt. Smyth has our  
orders to take with him from Baltimore 200 Cartouches,  
Boxes of Shirts - 600 Bayonet Belts, & 600 Gun Straps, which  
we to be lodged with your committee & we request may be  
delivered by them with the wooden bottles to the Flying Camp  
Anchorage in the Eastern shore, when ordered in the Council and  
very glad to hear Mr. Smyth's business is so circumstanced as to  
admit his coming over in the earlier in the week the better,  
as we are much thronged with Business & some of our board are  
anxious to see their families before the meeting of Convention.
