

Our manufacturers bring us in Linnon of the first kind at
3/6 and of the latter at 2/3, - if you can let your eye at that
rate if it is good in quality, you may send it down to this
Place.

Yours
Wm. G.

N^o 111 Mr. Josiah Hollingsworth

Sir, You are requested by the Council of Safety
to purchase for the use of the public one good
Saw proper for transporting heavy Cannon & also let us
know whether you can purchase any flat bottomed
boats with 8 or 10 oars, that would carry fifty
men each, or any Barges or whale boats - please
to let us hear from you, of the Price at which
they may be got - if there be some to be had,
whether you would undertake to have some
built this fall.

Yours
Wm. G.
