

Griffith's Battalion. - We shall have near Four thousand Men with
you in a Short time. - This exceeds our proportion for the Flying
Camp, but we are sending all we have that can be armed and
equipped, and the people of New York, for whom we have great
affection, can have no more than our all. - enclosed you have a
List of the several Battalions and Companies. - -

We depend in case of Invasion on being supported powerfully by our
Neighbours in Pennsylvania New York and the Jersey. - besides having
part of our own Troops sent back.

Our Gentlemen met for the first time after the late Elections on
Wednesday the 11th M. P. in the Chair. most of their time since meeting
has been taken up in controverted Elections, Queen Anne, Prince Georges
Worcester, lower District in Frederick set aside, the Members have been
all Discharged upon the principle of their having broke ~~the~~ the
Resolves of the late Convention with regard to the qualification of
the Voters. - Charles was controverted or rather it appeared on the face
of the return that they had adjourned the Polls to a different place than
that appointed by the late Convention it was not set a side for that
Reason the adjournment being made by consent of all the candidates
and Voters, some other Elections are talked of but we know not whether
there will be petitions; Am around for one. in Kent County they
began right and proceeded so some time, till interrupted by a Mob
the Judges broke up, and are ordered to finish the Election, according
