

promptly on duty to have all Accts with this
adjusted as speedily as possible, we obliged again to repeat
our Request, that you will immediately render us a complete
Acct of all pecuniary Matters, which you have had the
transaction of, relative to the Ship's Expenses, since you took
the Command of her - The sooner this Matter is brought
to a Conclusion, the better, as ~~the~~ Convention, as well as
this Board are anxious to have these Accts adjusted, and
of Attention to the Frigate may render it more
inconvenient, to you some time hence

No. 190. The Committee of Observation for Balt. City
propose the approval of choice of Mr. Gabriel
Touffer to command the guard at the Magazine, &
request that he would hire twelve men to keep
guard alternately according to orders he may give
them - the highest Pay we have allowed for men
at other Magazines, is forty five Shillings - some are
got for forty - we leave it to Lieut. Touffer to hire
the men upon the best Terms he can, not exceeding
65th of month, the Publick to find their Rates.
