execution of your Authority, to prevent all Irregularities
and Disorders, tending in their Consequences to prejudice
the Common Cause; for on Steadiness, and Unanimity,
amongst ourselves depend our Success; whereas the Conduct
of the Whig Club, if truly represented to us, will manifestly
introduce Anarchy, and a total Ende of all regular
Government. - We are &c

Captⁿ John Taylor

Sir, There is a man on board Captⁿ Courways Ship,
who has the Small Pox - he belongs to Saint Mary's
County; and has a desire to returne there, but lest he
may spread this Infection, the greatest care ought to
be taken, which we are desirous of doing. - As it is said you
are inoculating in your House, we beg you will take him in,
he has it favorably, and will soon be well. - This we hope
will not be inconvenient to you, and perhaps will prevent the
Disorder from being communicated by him to others
