

the Powers, you say, you intend giving him a
collection in Baltimore County. — We have already written
in the strongest manner to the Committee of Observa-
tion for that County, to enquire into, and endeavor to put
a stop to all Irregularities of the nature you complain
of; we hope it will have a happy Effect, and that
harmony and good order will be restored, more especially
as Baltimore Town is now become the seat of Congress.
Should you be desirous of having any further Proceedings,
the several facts you alledge, ought to be verify'd by
Affidavit. —

Majr William Dearbins.

No. 64. Sir — We have advanced two hundred and twenty odd
Pounds Currency to John Host in consequence of your
letter recommending him to us; — the guns he has ready,
we wish to have sent down here. — There are guns sufficient
we are informed, left by the Army Camp for those, who
may think proper to march to the Relief of the City
of Philadelphia. — Should we hereafter find it
convenient, we will let Capt. Murdoch, or yourself know by
a Line before the military march.
