

Messrs Van Bibber of Harrisin, as soon as possible, and we
it strongly to that, being to furnish the Council of Safety,
State, for the Time being, with a state of their Accounts

Acct: & Curr: by every opportunity. — We are sorry that
Mr. Van Bibber should be distressed by his Accounts for

Maryland, and trust that it will not long be the case;

This order of £ 1320. we have directed Messrs. M. M. Hay

to pay. Mr. Crockett, we have not seen since his

return, but whatever money he may apply for on your

Acct: shall be advanced to him agreeable to your order

of the 19th Nov:.

It affords us Pleasure that Captain

Robertson's Salute was returned in the respectful manner

you mention: Mr. Dup produced an order from you

on us, which we offered to pay in dollars 276, but he refused

to receive them, unless we added the Advance of 25^{cts}

for his disappointment in not receiving goods.

It gives us concern that you have not

any prospect of passing your Bills upon us; Times may

alter and opportunities arise, when in you may dispose of

them; Should that be the case embrace every opportunity

that may present itself.

We are well pleased with Mr. M.
