

for Powder, and that the said Magazine be built of
brick and of the following Dimensions. To wit
18 feet, erected with Brick, with a window on the
top, and lined with Plank on the inside, and that the

James By Greenhalgh be required to conduct
the Magazine and render an Account of expenses, that
said may be paid on behalf of the Province.

Agreed this next Day 10th of

Saturday 29th June 1740

Not according to Agreement. Present the former
members, as on yesterday.

Ordered that the Treasurer of the
Province shall pay to James Newbaker one hundred and
eight pounds, for Damages of being Imprisoned.

Mr. James Newbaker doth bear to the
Council of Safety an Account of 500^l for Powder
in the building, which was required for the use of
the Province in 1739. Viz, £130.9.0
of which the Council of Safety received of
