ARBOR DAY RITES ARE REVIVED IN KENT

Arbor Day was celebrated at the Elementary School on Friday, April 2nd. Mrs. Mildred Dwyer, the Principal, was in charge, assisted by Mrs. Carol Tarbutton, and Mrs. Nancy Miller.

Parents and friends were out to enjoy the occasion which opened with all singing "America, The Beautiful," followed with prayer by Rev. William Tulip. With Miss Davis Clark as announcer, a fine appropriate program was given, consisting of poems, songs and readings by the pupils, who did credit to themselves and to their teachers. "Maryland, My Maryland" was the closing hymn. Black and orange buttons with the black-eyed Susan in the center were distributed to all with an inscription, "We Will Help Keep Maryland Beautiful." The highlight of the occasion came when all went out on the school green to witness the planting of three oak trees on the northwestern corner of the grounds, and more singing of patriotic songs. It was just 50 years ago on April 2nd, Arbor Day, that the maple trees were planted. They have become beautiful shade trees. Mrs. Anna B.
