**College Nine  
Wins, 4-2, Over  
Swarthmore**

Bill Bates had a no-hitter going until the final inning last Saturday as Washington College scored its first diamond victory over Swarthmore. The only safety for the Little Quakers came in the ninth.  
Meanwhile, Bates had disposed of twenty opposing batsmen via the strikeout route. He also was a little liberal with his walks, giving up seven.  
The Shoremen scored in the third, fifth, sixth and eighth, the latter a homer by John Topodas. Swarthmore's runs came in the fifth on miscues by the Siskmen, the routine going something like this—walk, passed ball, walked, overthrow, passed ball—to yield the two counters.

**Chestertown  
Wins Thrice  
At Galena**

Chestertown High had a field day yesterday at Galena as three teams won decisively over the hapless Falcons.  
In girls' softball, the Dragonettes bested Galena's lassies, 24-11, while in two volleyball contests, Chestertown again prevailed 15-13 and 15-7.  
Don Stokes was Chestertown's winning pitcher as the Dragon schoolboys dumped Galena, 11-8. Stokes gave up two hits while striking out 11.  
All of Galena's runs came in the seventh inning, as a melee of walks and wild throws allowed eight runs. Chestertown coach Art Engle played 20 of his squad during the contest.

**Honor 'Granddad' of Skeet**

**Sho' Thin-Clads  
Lose Twice, Once  
With 11 Firsts**

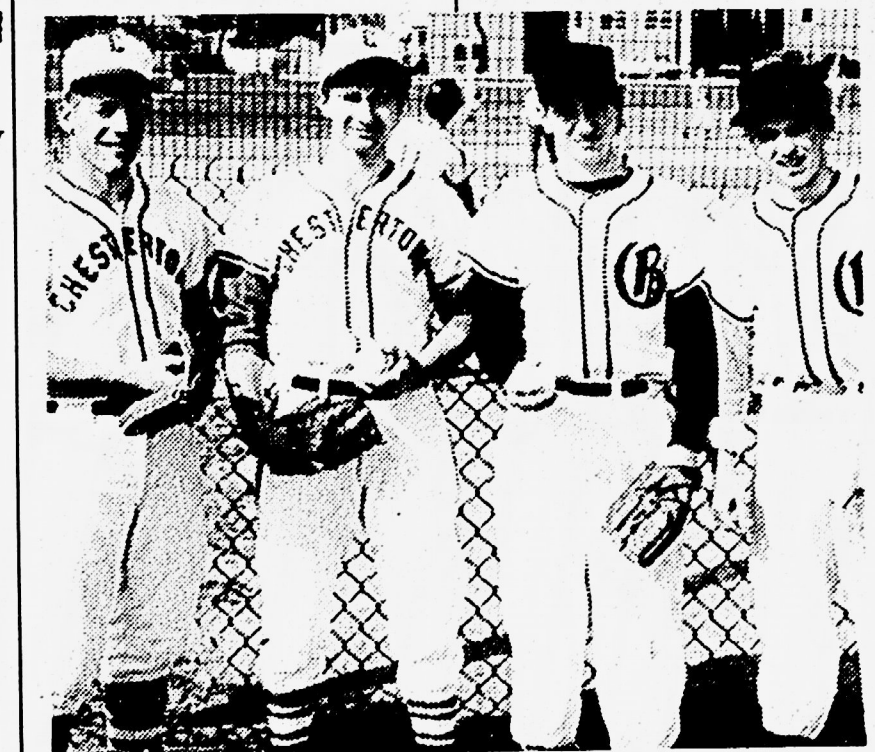

Washington College is two down in track competition and faces Loyola in the third meet of the season tomorrow. The Shoremen bowed to Dickinson at Carlisle, 86-45, and then were nosed here on Saturday, by Western Maryland, 75-70.  
The latter meet was not able for one thing—the local collegians won 11 of the 17 events but could not muster the mastering points.  
In the meet against the Green Terrors, Van Strausburg accounted for 21 points and Al Reddish 19.  
Ben Whitman, for the Shoremen, had a first in the mile, Marty Smith a first in the 880 and the Chatellier crew also accounted for two relay events.  
Reddish won the 449, 220 and 330 hurdles. Strausburg was first in the 100, 120 hurdle, broad jump and hop-skip-jump.  
In the Dickinson encounter, Strausburg had wins in the 120 hurdles and 220 hurdles, Reddish captured the 440 and Whitman took the two-mile event.  
The mile-relay team of the Shoremen—Moreland, Clements, Strausburg and Reddish—again was first.

**Shore Netmen  
Win Second**

The Washington College tennis team won its second match in as many tries by defeating Stevens Institute of Technology 8-1 last Saturday at Hoboken, N. J.  
The Sho'men actually won the match early by sweeping the singles. The locals have now matched last years total number of wins.

**Little League  
Meeting Called**

A meeting of club representatives in the Kent Little League has been called for next Monday, April 19, at 7:00 p. m., in Russell Gymnasium, Washington College.

**OPPOSING BATTERIES** were snapped just before yesterday's game in which Chestertown High defeated Galena's baseball team. Left to right, above, are Chestertown catcher Ed Fry, winning pitcher Don Stokes, Galena's pitcher Doug Huffman, catcher Julian Davis.

**Schoolboy  
Stickmen  
Drop Pair**

Chestertown's Lacrosse Club lost its opener last week to St. Mary's High School, 15-2, but showed an improved game on Saturday at home when Brooklyn Park edged the local schoolboys 4-2.  
Scoring for the Chestertown club has been by Dorsey Owings, Phil Kratzer, David Tucker, and David Bryden, each with one goal, and J. C. Hyslop, with one assist. All other goals were unassisted.  
Jack Wynn, Chestertown's first-string goalie, has amassed 21 saves in the first two games, twelve of them in the opener with St. Mary's. David Fowler, goalie for part of that game, had three saves.  
With 27 squad members getting into action in the first game, most of the team has seen some play already.

**TEE and GREEN**

Denny Walters, former pro at the Maple Dale Country Club, Dover, has signed in a similar capacity with the Henlopen Country Club, Rehoboth Beach.  
The Henlopen club is the former Rehoboth Beach Country Club and the course has not been used since that group moved to its new layout two years ago.  
Zoning problems prevented the course from being converted to a real estate development and the owners, Thomas H. Fooks, of Rehoboth, and Simpson Dean, of Wilmington, have decided to operate it as a public course with limited membership.  
Robert W. Dick, a former green superintendent at Shawnee Country Club, Millford, will hold a similar post at the revived club.  
May 15 is set as the opening date, with the greens being sodded with Bermuda grass.

**Sudlersville Is  
Beaten By Galena**

Galena High won its opening baseball game of the season Monday, defeating Sudlersville High 5-4. David Jones, Galena pitcher, gave up five hits, striking out eight men.  
Davidson, with a triple in the sixth inning, put Galena over the top in the game, played at Galena.

**Dragon Nine  
Tops Holy Cross  
By 4-1 Count**

Chestertown High School, whose varsity baseball team has had several cancellations, including the home opener, won its first tilt at Holy Cross on Monday, 4-1.  
Herbie Mills' pitching was responsible for twelve strikeouts, giving the Dragon nine the edge needed, but after Holy Cross scored in the fourth inning, hitting power was needed as well.  
In the fifth, Herring scored on Mills' hit, tying up the game, but the clincher came in the eighth, when Ed Fry's three-run homer brought Jeff Wilson and Joey Neal home.

**Shore 10 Bows  
To Brown, Wins  
Over Loyola**

Washington College split even in a pair of lacrosse games last week, bowing to Brown on Kibler Field, 9-8, and topping Loyola at Evergreen, 13-7.  
The Shoremen were short on marksmanship in the Brown encounter, missing many opportunities at the net. But it was the defense which faltered in the end, Brown getting three goals in the final period for the victory.  
The teams were tied 2-2 at the quarter, with Washington leading 4-3 at the half. Each had three tallied in the third but the Rhode Islanders had a 3-1 edge in the fourth and final frame.  
Washington goals were by Ortmann (3), Jaeger, Dove, Hodges, Corkey and Francis.  
Against Loyola, the Kelly Klan did it all in the last quarter when they scored six goals to change the complexion of the tight test.  
Washington failed to score in the opening period and trailed by one. Four tallies were netted in the second while Loyola was getting three to make it a 4-4 game at half-time.  
The Shoremen had a 3-2 edge in the third stanza and found their shooting eyes for the fourth period rout.  
Washington's goals were: Francis (4), Ortmann (3), Dove (2), Cockey (2), Kelley and Weiss.

The Maryland Game and Inland Fish Commission set hunting dates for the fall season over the weekend but decided against recommending an open season on swans to the Department of Interior.  
Swans, like all other migratory fowl, are subject to federal regulations and state agencies can only pass restrictions within those regulations.  
Since swans presently are protected, the state agency could have, at the most, suggested to the Interior Department that it create an open season on them.  
Witnesses who appeared at a Saturday morning hearing by the commission strongly opposed any open season on swan. Most of those present were not hunters, said Edwin M. Barry, acting secretary to the commission. He said most hunters offered no opinions on the issue.  
The commission decided to study the question further before it decided whether to request a limited swan season for management purposes.  
Most of the hunting seasons were left unchanged from last year.  
The deer season for firearms and bow and arrow was set from Nov. 26, to Dec. 4. This will be for male deer only. The special bow and arrow season, which is open for taking deer of either sex, will be from Sept. 15 to Nov. 25, Dec. 6 to Dec. 16 and Dec. 20 to Dec. 25.  
Dates for the rest of the seasons, with daily limit and possession limit in parentheses: Squirrel—Oct. 5-Nov. 13 (6 daily limit, 12 possession limit) Turkey -- Oct. 5-Nov. 25 (1 and 1) Pheasant -- Nov. 15-Jan 31 (2 and 4) Quail -- Nov. 15-Jan 31 (6 and 12) Grouse -- Nov. 15-Jan 31, except Garrett and Allegany counties, Nov. 15-Jan, 5 (22 and 4) Rabbits -- Nov. 15-Jan 15 (4 and 8) Raccoon and Possum -- Sept. 10-April 1 (no limit) Beaver -- Jan, 16-Feb, 28, Garrett, Allegany and Washington counties only (6 and 6) Otter, mink and muskrat -- Jan, 1-March 15, except in Garrett, Allegany, Washington, Carroll, Howard, Montgomery and Frederick counties Nov. 15-Feb, 15 (no limit)  
The commission set no open season on bear and no closed season on limits on skunk, woodchuck and fox. Fox hunting is regulated however, by some counties.
