THESE ARE THE MANY FEATURES THAT MAKE THIS YOUR PRIZED ADKINS HOME

THREE LARGE BEDROOMS... place your furniture in these rooms with roomy decorative results.

BEDROOM CLOSETS... large ones with the modern doors, clothes hanging rods, and the vast space every homemaker wants in her new home. These closets are placed in the areas that give you the fullest use of all walls for placement of furniture and decorating touches.

VAST LIVING ROOM... twin window expanse accentuates the size of this big room.

STEP-UP KITCHEN... planned kitchen for busy homemaker sets yours right alongside the dining room. You achieve added convenience and save space at the same time.

EASILY-CLEANED BATH... no space is wasted. Panelboard walls are cleaned in a jiffy. Armstrong Excelon Vinyl Asbestos Plastic Floor Tiles are easily kept bright and clean - will give years of service. Note that there isn't an inch of wasted space.

WHITE OAK FLOORS... all floors are in white oak, finished to a gleaming polish. Kitchen area floor Armstrong Excelon Vinyl Asbestos Plastic tiles.

LONG PORCH... over half the length of your home is fronted by a delightful concrete slab porch. Please note the curved roof plates at the eye line of this wonderful porch. This is one of the many artistic touches that enhance the beauty and value of this low-cost home. It is another of the well-planned details that help make this home an outstanding buy even if it were priced much higher.

DISAPPEARING STAIRWAY... there are so many advantages in a stairway that can be set up against the ceiling. You get more floor room. You get quick and easy access to the second floor. You get nearly as many second floor square feet of storage space as you have

on the first floor. You keep an unobstructed hallway view of your home that adds so much to the convenience of this well planned home.

KITCHEN CABINETS... natural finish to hold the traditional Eastern Shore touch. The modern look is mixed with this traditional kitchen by covering your counter with indestructible plastic, then trimming the edges with stainless steel.

COLOR WALL SHINGLES... color-fast asbestos wall shingles make your outside walls delightfully brighter. Walls are washable... fire-proof... rot-proof... termite-proof. This holds maintenance way down.

ASPHALT ROOF... color-fast mineral granules permanently impregnated in these shingles. You make the choice of many decorator colors, or combinations of colors. These are top quality asphalt and fiber shingles assuring you years of excellent roof protection and beauty.

FLUSH DOORS... Philippine mahogany is the wood of the ages in the doors. Trouble-free Kwikset Hardware gives the lasting touch of attractiveness to every door.

WEATHERSTRIPPED WINDOWS... water-repellent white pine that has been treated with weather-preservation. Easy to operate, and assures you lowered fuel costs because they're weather-tight.

KILN-DRIED FRAMING... no skimping in the construction of this budget-priced home. Set on 16-inch centers, which your contractor or carpenter friends will assure you is the only way to build your home.

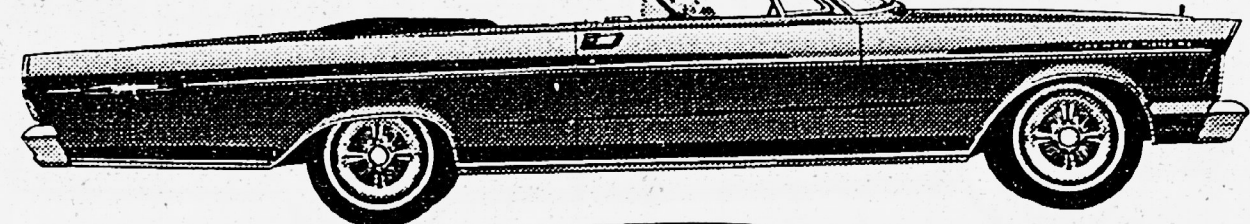

SHEETROCK WALLS... these add to the insulating quality of your walls. You select the colors you want from many duPont Flo-Kote paints. This is another of the custom-building details that are yours when you build this home.
