Silver Palace Cars .- The P., W. and B. The supper will take place at 5 o'clock, and the speaking at 7 o'clock.

Pay Small Debts.-Small bills should be promptly paid. The men to whom they are due generally need the money. The little bills are the ones that make numberless gaps in the world of business. How much comfort to families, cheer to desponding business men, and encouragement generally, would be given by the immediate discharge of all little, and perhaps half-forgotten obligations! Pay small debts. forgotten obligations! Pay small debts, and do it at once.

Fire .- The bridge over Big Elk Creek. between Bridge street and the causeway, was discovered to be on fire about five o'clock on Tuesday morning last. The flames spread very rapidly, and in a few minutes wrapt the whole structure.

One of Captain Realy's oyster boats was lying near the bridge, which was injured in its masts and rigging to the amount of \$60. Another pungy, belonging to Captain Spicer, was also damaged to some extent by the fire. The Captain was asleep in his boat, and was in a fair way to have been roasted in a few minutes, had prompt assistance not been rendered, and the craft got out of the way.

It is supposed that a cigar or match had been thrown in the bridge by some one rossing, which set fire to straw that strewed the floor of the bridge, dropped from wagons which haul straw in town almost daily. We presume the next bridge that is built here will be of iron, and it should be a pivot or draw bridge to allow vessels to pass

to the upper end of town. The old engine wasn't run out on this ecasion.

The Show-Falling of the Cantas .- The great O'Brien Menagerie exhibited here on Wednesday last, as advertised. The early part of the afternoon was very pleasant, and large numbers went "to see the show," which was worthy of patronage, there being a great variety "Of beasts and birds and creeping things." There were numerous side-shows, in which the more curious might have their curiosity gratified. About half past three, rain began to fall copiously, making it difficult to get home rom the menagerie without a complete drenching and spoiled clothes.
