question, at which they virtually resolved beverage, by selling special privileges under they wanted none but Democrat immigrants to come among them. The following is the Journal's account of the North Carolina business:

case near Halifax N. C. A citizen of New Jersey purchased, in 1867, 160 acres of land, paying for it \$30 per acre. Everything went on prosperously with this gen-tleman, and he had greatly improved and beautified his property.

At the late election, however, he voted

the Republican ticket. The chivalry at once set to work to ruin him. He had purchased \$250 worth of fertilizer from an

such an outrage have happened in any other country under the sun. Justice as administered by men who openly boast that they are not bound by the most sacred oaths but they can swear with a mental reservation is worse than a farce.

the most unfit persons that could be found. Their road force-employed when a "slack time" in the farm work can be found, con-

that a farmer ought to have a piece of road, in order to enable him to work out his taxes. But working them out in the manner which we all know is customary, is an imposition on the whole community. Such men use up the public funds and give the public little or no benefit in return. Like most tricks of small politicians, this is false most tricks of small politicians, this is false in theory and false in practice. In some sections of the country they appoint doctors, lawyers, and other professionals, and they are said to make much better supervisors than men whose lives are entirely devoted to delving without much thinking. We suggest that the Commissioners try some of our lawyers and doctors, Cecil has

We see in an exchange, the history of a

purchased \$250 worth of fertilizer from an agent of a Baltimore company with the understanding that he would not be pashed for the money. Having been told by this agent up to the very day on which his note was due that the time would be extended. The day the note for \$250 was due it was purchased of the agent by a Rebel Democrat and suit at once instituted. This process not being rapid enough to suit their purposes, a perjured scoundrel was found who swore that the Jerseyman was about disposing of his property to defraud his creditors. His goods were seized and his farming operations entirely stopped. His unfashionable, and not one-tenth as many farming operations entirely stopped. His horses were taken to a livery stable and kept 60 days, until the time of sale. His cows hogs and other animals were also placed in charge of one of the chivalry to have boarded, and when the sale was made the proceeds lacked \$2.00 of being enough to your for the livery of the lower and the to pay for the livery of the horses and the board of the other animals. His farm was seized, and the sale so managed that there should be no competition—and the chivalry
