Ayer's Cathartic Pills, For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reasons, that this amore reliable and far more effectual remedy than any other. Those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglectod its composition. We have thousands upon their sands of certificates of their remarkable cures of the following complaints, but such cures are than the every neighborhood, and we neel not publish that the containing neither calomel or any deletedus afrag, containing neither calomel or any deletedus afrag, containing neither calomel or any deletedus afrag, containing neither calomel or any deletedus afrag. Their sugar coating preserves them ere freely regetable no harm can arise from their used and simulate it into healthy action—rough their post blood and simulate it into healthy action—rough their post blood and simulate it into healthy action—rough their post blood and simulate it into healthy action—rough their of the order organs of the body, restoring their freely exist, such derangoments as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

the box, for the following complaints, which these Fills rapidly cure:

For Byspepsia or Indigestion, Listlessness, Lunguor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action. For Ever Complaint and its various symptoms, Billions Heustache, Sick Headache, Janualice or Green Sickmess, Billions Coile and Billions Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Bysentery or Diarrhoes, but one mild dose is generally required.

For Dysensery or Diarrhoes, but one mild dose is generally required.

For Rheumatism, Gont, Gravel, Palpistion of the Heart, Pain in the Side, Back and Leins, they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear.

For Bropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidely better, from their cleansing and renovating effect on the digestire apparatus.
