The company over no floating dark, and the runded indebtedness facutives for construction smounts to only \$10,071 a mile. The samings are sufficient to pay the interest upon this light debt and leave a Surplus of \$18,000 a Month. The entire deld is limited by charter to £20,000 a nile, and the Equipment Bonds now offered cannot coordingly exceed \$4,000 to the mile, secured by the auchiese, road, track, rolling stock and property of very description belonging to a company already doing

a Prosperous Business. The proceeds of the present issue of Equipment Bonds will be used in adding to the rolling stock, which proves inadequate to the anount of business effecting, though the company has now 22 [bosonotive, 900 freight cars, 10 persenger coaches, 5 baggage, express and mail cars, and 9 way or calescectars.

The Construction Bonds are marketed at 95. The Equipment Bonds, being secured by a second mortgage, are offered

at 85 in Ourrency and Accrued Interest. The facts recited above show that the security is sub-tantial and ample.
