BAY VIEW ITEMS.

-Inasmuch as several of our scribes have described our little village and country around it, it seems rather a hard task to get up a full set of items at present.—
But for the benefit of inquiring friends, I would be gleave to state that we are all the state of business, Odd Fellows' Hall, Elkton. have described our little village and counwould be r leave to state that we are all well-for which we try to be very thankful. The atmosphere in this section is very pure. our streets are wide and are kept perfectly Vanilla Almends, Roasted Almends, clean. Persons in the city in search of a Cream Chocolates, Cream Dates, and Conour streets are wide and are kept perfectly healthy retreat, during the rage of conta- | served Fruits-all at Mrs. HALL's. gious diseases, would find a pleasant home with our gentlemanly landlord. Our village is improving too, in the way of build-

ings. Thomas Riddell has erected one of place. the finest poultry houses in the county, being quite large enough to hold five hundred fowls, the design of which he obtained from, probably, the American Agriculturist. He has also made quite an addition to his barn. As our friend Jeems told you, our mechanics are pospering; the stores are selling much goods, but we have quite a nuisance in the way of false faces, firecrackers, &c.

-By the way, Mr. Editor, I believe none of your previous correspondents ever noticed the large dairy farm of Mr. Ellis Passmore,\* it is certainly worthy of mention. The farm is situate about two miles from this place and contains some 300 acres, and is finely improved. The dwelling is large and comfortable, but the barn and stabling are certainly worth a considerable journey to examine. I am told he keeps about one hundred cows, and ships his milk to Baltimore. He is a man full of energy and a perfect gentleman.

guess that without fear of failure. Winter is certainly on us. All who have iceiouses have filled them. When anything of note occurs in these parts you may hear from me again, but be sure and get vaccinated. [\*We published a letter from Mr. Pass-

more last summer giving some account of his operations as a dairy farmers. But coramunications on the subject of farming are always welcome.]

FOURTH DISTRICT ITEMS.

-Tuesday last, snowfell to the depth of drifted it so as to injure badly the sleighing. The thenometer fell, too, (or rather the mercury) on Wednesday night to zero, and on Thursday morning to 4 degrees below. The sudden change stopped the work of piking the telegraph road, which facturers who had been sending agents to was commenced on Monday last. Every Maryland for the solicitation of purchases man there worked with a will, just as they did at Bunker Hill. I think more work | ited by the excessive amount of license fee was done in a day, than if each man had worked for pay. In Franklin township. Chester county every running stream, crossing a public road, is either bridged or trunked, so says a late supervisor there.

-Vaccination of late, has been performed on nearly every person in this locality, no small pox, nearer than Elkton, and the general health good, Michael Sentman is yet bedfast, though, recovering, from his injury as reported in last week's issue. -J. H. Finley, one of our model farmers

desire to call the attention of physicians and othe interested, to the following new preparations of the own manufacture, which are destined to comy a pro-ment position as the most popular of the XCIMIT TOXICS. Wine and Beef. each tablespoonful representing the nourishin uents of one ounce of fresh Beef, with the gen lating properties of Pure Cherry Wine.

Wine of Beef and Iron, containing the same as the above with the add three grains of Citrate of Iron in each tablespoo Elixir of Beef, each tablespoonful representing the nourishment of one ounce of fresh Beef, with a dessert-spoonful of Finest French Brandy.

each tablespeenful of which contains the neurishing properties of one onnes of fresh Beef, three grains of Pyrephosphate of Iron, eight grains of Cslisaya Bark, with Finest French Brandy. with Finest French Brandy.

The above elegant preparations are pulatable and grateful to the taste, acceptable to the atomach and uniform in strength, having for their basis pure Extract of Berf, the nutritive and restorative value of which in debilitated conditions of the system is well established. They are enumently adapted for the treatment of those suffering from the debility resulting from protracted liness, in the simking educated to the restoration of these suffering from excessive work, lose of appetite, impaired discussion and dysepsia. As a restorative and invigerator they are invaluable for the convoluencent, in the debility accompanying old age, in the rapid growth of children, and in all forms of general debility attended by defective natrition, nervous prostration, and an impoverished condition of the blood.
