## REGISTRATION.

Remember that the 15th, 16th and 17th days of this month are the days on which every man, entitled to vote, must, if he has not already got his name on the Registration list, see to getting it placed there. Let the candidates and others who have the success of the Republican party at Comptrollers' Reports for the last seven heart, attend to this business in the Dis- years. All these documents bear testitricts. Go and help the Registers. Take mony in every line to the unparalleled off the names of the dead, and put the waste, extravagance or robbery which has names of the living on.

## THE ELECTION INFIRMARY.

The Democrat gave out some hints two weeks ago, of a purpose to open a "shop" of some kind, but left us all in doubt as to allies out of its ranks and plant itself the character of the proposed "shop."-Last week, however, the announcement came that the promised institution is nothmay see the corruption of Washington City. This is a laudable enterprise and highly commendable to the Doctor's heart. But why not consider John Randolph's advice to the charitable old lady who was making shirts for the South Sea Islanders, or some other heathen? Randolph assured her, pointing to the ragged slaves, that the heathen was at her own door. Now, why not doctor the blind so that they can see the corruption at their own door?-They will then be able to see more clearly at a greater distance. By way of letting in the light "ray by ray," we suggest that of Ham. Are the public schools of the county as efficient now as in 1866 and previous to that time? The levy liberal expenditure of \$154.950, list of the present year, '73, puts down the county expenses at the nice little sum of \$103,834, including \$30,458 school tax.
