\$596,902.30 | ler of the Treasury and JUDGE JOHN II. Grand total. This is the Democratic showing of expenditure in county taxation in six years; a matter of \$202, 129.19 more, in six years management of the county finances than the Republican party expended in the previous seren years. Comment is needless. If any sensible man had a business amounting annually, and he had two sets of managers Hugh A. Maughlin, and James B. McCurto upwards of a hundred thousand dollars annually, and he had two sets of managers to select employees from, the difference ley, of Baltimore city, Dr. Wm. R. Wil- but the surest and indeed the only theroughly safe and to select employees from, the difference level of Charles, and Dr. S. P. Smith, of reliable tassus of avadening the domaint energies of between which, in the expenses incurred mer, of Charles, and Dr. S. P. Smith, of in transacting that business for a period of Allegany. seven years, would involve about three hundred thousand dollars, which class would he be likely to select from? Is not amount in conducting his private business? The servants which have saved for you in the past it is fair to presume will prove economical in the future; while those who have been spendthrifts will, if unrebuked, become more reckless and extravagant in

DON'T LIKE PARKER GUNS .- The Dem. ocrat is opposed to all breech-loaders, and to Parker guns in particular. In fact the Doctor is opposed to all new-fangled notions flint-locks which extend back to the poetic the other names were withdrawn. period of bows and arrows. We, too, have sires a "big lift" in gaining American Independence. The old flint-lock was an effective weapon at short range on a dry day. It was : nashy old gun, however, and made a great ado about going off, burnhis love of the time honored old flint-lock, and advise him to stick to it. The inherent properties of that old arm for making a noise and smoke, burning powder and flashing at the pan, hore a singular resemblance to the Doctor's political fusillade. The Democrat pops away with the old flint-lock lively, at the President in Washington and Gen. Butler in Massachusetts, which is a very harmless amusement. The range is entirely too long for that old gun. It ing nearly as much powder in the pan as in very harmless amusement. The range is entirely too long for that old gun. It seems to please the Doctor, however, and does not hurt either of those dignitaries. Stick to the old flint-lock and States' lights, Doctor, in fire arms and politics, and don't attempt to master the philosophy of patent breech-loaders and political commy of this fast age.

On Exhibition. The Democratic candom properties and political common of the profit producing capital of the State of the incoming Legislature, such action as it may lawfully take, as will tax, equally and the new properties of the Nation.

Health Restorative, and don't attempt to master the philosophy of the profit producing capital of the State of the incoming Legislature, such action as it may lawfully take, as will tax, equally and results.

Hutual Fire Insurance Companies in operation. Its Agents do a large business in this county. Risks on farm property taken at cluw rates.

E. E. Ewing, Agent at Elkton.

Dis. Bull.'s Cough Synup is an old reliable Family Medicine, used for years by thousands. It is known to be a Medicine of great power, entirely harmless, so that of the incoming Legislature, such action as it may lawfully take, as will tax, equally and results.

free gratis for nothing. They presented a very genteel appearance as, arm in arm, they promenaded the streets, and we looked in vain to discover the three distinguishing Democratic signs, which the late Col. Groome used to describe with such infinite zest. Greeley improved the hygiene of the party during his short connection with it.

- George E. Pugh, the once gifted leader of the Ohio Democracy, told old Mr. Allen's friends, at Hamilton, Ohio, the other night, some plain truths. He starts out, however, with a conundrum, which is unanswerable. Hear him:

Now, where is your Democratic party? Talk to me about it! I give you the matters. The extraordinary offer Demorest answer which the people gave when answer which the people gave when Louis Philippe thought he might put his grandson on the throne: "It is too late," [Applause.] And you marched off to the city of Baltimore, and, with the delegates of the Democratic party from every State in the Union, you supported Horace Greeley and B. Gratz Brown, with the relegation of free trade to the Congressional dis-trict. And now we have my dear old friend William Allen brought up—and a parcel of other old boys and young boys— with paper caps on their heads, with chicktrict. And now we have my dear old friend William Allen brought up—and a parcel of other old boys and young boys—with paper caps on their heads, with chicken feathers in them, and wooden swords, blowing tones from tin horns and beating drums! And talk to me about the Democratic party! You killed it, and you never can revive it.

—Demorest's Young America, with all its useful, interesting and piquancy of material for the young folks, is now ready for October. Young America for 1874 is to be furnished at \$1, with a valuable programment. This will be good news to the juveniles. Address W. Jennings Demorest, \$39 Broadway, N. Y.

W. H. MAY.

THE SIGNS OF THE TIMES.

The signs of the times were never mor cheering for the Republican cause in this swamped in debt and taxation by the riotcounty than at present. From every part ous extravagance of several years of "Demof the county the news our friends bring is ocratic Conscivative "rule, the Republican most encouraging. Men who have been party determined to nominate a ticket for life-long Democrats are asserting their County Commissioners, composed of able, independence, and declaring boldly for a conscientious men, and appeal to the betchange in the county government espe- ter judgment of the people to rise above cially. They say that the party in power party, and consult their own individual have had it all their own way too long for the public good. Loud are the complaints ble, honest and independent enough to of extravagance and wasteful expenditure rescue their county from the mountain of of the county finances. In the midst of debt and taxation, which had been piled these hard times, when sail should be short- upon it by the party whose only thought is ened, and every means of economy prac- to provide places for its favorites, without ticed, they behold the expenses growing caring whether they have a single qualifiyearly. They glance at the Levy list which cation for the duties of the position to gives a partial exhibit, at least, of the out- which they are assigned. With this purlay for county government, and behold the pose in view two years ago, Mr. A. C. items in every branch growing at a rate Green, one of the leading business men of that, if continued a few years, must bring the county was solicited to become a canditheir property to the auction block. Short date for the office of County Commissioner, crops and high taxes for the last five or who finally consented, on condition that six years have brought numbers of our best they would associate with him on the tickand most hard working citizens to the et, the names of good and competent men. verge of ruin. For the failure of crops we | This was done and the Republican Commust submit with resignation to the will missioners were elected by about 1,000 of Him who controls the rain and the sunshine; but the unfaithful stewards who ed the county by 200 majority. This was have been intrusted with the management a noble example of rising above party of public affairs for these many years, the prejudices for the purpose of correcting oppressed and overtaxed people are determined to visit with their overwhelming inday business interests. dignation. With a full turn out of the Republican vote of the county, and that of the dissatisfied, overtaxed Democrats who without distinction of party. This new have been brought to think and examine for Board of County Commissioners went forthemselves, by the sore oppressions of the ward at once in the work of lifting the

composed of able and intelligent men, well ing and improving the alms house, and posted in public affairs, and a knowledge of the pressing needs of the county, we look tax from 113 cents to 80 cents on the hunforward with confidence to the inauguration of an era in retrenchment and reform, in the lavish expenditures which have run riot for the last half dozen years. Be of good cheer ye men with bronzed faces and | public, managed the affairs of their county horny hands, your day of deliverance is at the dawn. The might that will insure the the county, have been renominated by the right, rests in your own stalwart arms. Republicans by acclamation, and they have No longer allow the political traders of the assurance from many of the most hide your party to control absolutely your vote bound of the Democrats that they will vote by working upon your prejudices, and for them; and there is no doubt of their holding over your heads the party lash. re-election. A trial with good, honest, The people are doing their own thinking, capable men to manage the county affairs and conferring with each other as to what of Allegany, has satisfied all intelligent is best for them to do. They are the mas- men that the selection of County Commisters of all parties. They can set up and sioners is as much a matter of profit or pull down at pleasure. They are fast loss to each and every person doing busireaching the important fact that their ness in the county, as any other moreantile votes are not east for a political creed or transaction he enters into; and that to have set of principles in government, but for or a Board of competent, faithful men, to against their own property and interests, administer the affairs of the county, is a in voting for county officers.
