Scott will preach. the Diocese, will preach at St. Mary's they were turned out to pasture, they were Church, North East, on Sunday, the 12th found with their heads elevated several instant, at 11 o'clock A. M., and at St. feet on a sappling that they had evidently Mark's Chapel, near perryville, at 7}

o, clock P. M., same day. Large Potatoes .- We have received the first editorial invoice of large potatoes of the season, sent by E. B. Hall, of Bay View. They are of the early rose variety. The largest of the "mess" weighs 2 lbs. and 6 ounces, and the next best 1 lb. and 6 ounces. The whole lot are whoppers. We secould like to see the man's potatoes who can

beat this lot of Mr. Hall.

Steamer Aground .- The C. P. Smith, Captain Brown, in making her way up to Elk Landing on Monday night got aground on the marsh near Frenchtown. The tide was very high, the night dark, and the pilot being unable to keep the narrow tor heavy rains have disappointed a great turous channel, the boat ran on the flats and stuck tight where the tide left her high

. Severe Storm .- A violent wind and rain storm passed over this part of the county on Monday last, with some thunder and lightning. The wind blew almost a hurri- on Thursday evening. cane, and the rain fell in torrents for a short time, which gradually gave place to Several trees were broken and blown down in our streets; one very fine maple in front of Mrs. McKinsey's was uprooted, making an ugly hole in the middle of the sidewalk.

Land Sale .- W. J. Jones and L. M. Haines, as Trustees, sold on Tuesday last, at the Court House door, the farm of which John Smith died seized, to David T. Devlin, for \$1,800; subject to the widow's dower. The property contains 43? acres, and is located within a mile of Cherry Hill, in the 4th Election District.

G. W. Cruikshank, Trustee, offered at same time and place, the building on the whatf, at foot of Bridge street, known as the " Match Stick Factory," but the property was withdrawn, there being no bidders.

Cut Himself. - Wm. McNut, a convict who was sentence, to the Penitentiary for a term of four years at the last term of Court, cut himself so verely zeross the abdomen with a dull case knife on Tuesday last. This attempt at hari karl by the prisoner, was committed for the purpose of preventing his being taken to the Penitentiary, where he was to have been removed from jail on Wednesday. The cut is severe but not considered dangerous. The gash was stitched up by the doctor.

Suden Death .- Mr. John Cantwell, one of our old citizens, died very suddenly on three houses are a ady to move in to. Sunday night about nine o'clock. He had Poney's meat store raise. 4. &c. been indisposed for some time previous but not prevented from attending to business. He was about retiring to bed when he was suddenly stricken down by death. As generally happens on such occasions the family were at the time absent from the house, all except two small girls. The funeral which took place on Wednesday afternoon, was numerously attended-The remains were placed in the Methodist burying ground of this town. The deceased was an upright and honorable man.

Clearing the Channel of Elk River. - In reply to a letter of inquiry from Mr. Creswell, Post Master General, which was adalressed to the Secretary of War, M. Belkwap, at the instance of some of our citizens, the Secretary of War, after refering to the preliminary examination of the river made by Engineer Popp last Winter, says-"A further survey was directed by the Act of March 3, 1873. The Report has not yet been received, but will be submitted in lively appearance. time for consideration during the session of Congress. Col. Craighill of the corps of Engineers, reports (Sept. 1) that the examination will be made during the present

In the letter accompanying the reply o the Secretary of War, to Mr. Creswell, above quoted from, Mr. Creswell says, "If you (our citizens) have anything for ther to suggest I will cheerfully urge a compliance with your views."

We think our citizens had better be moving in the matter, and urge Mr. Craighill to send on Engineers to make examination of the Elk River, (the sooner the better) so that the report can be laid before Congress

Sunday School Coacert. - Mr. R. F. Buell, of Westminster, Maryland, with his three children will give two concerts in the M. E. Church of this town, on Thursday and Friday evening next.

A Fair for defraying the present ex. The Oxford Fair-A Grand Success.

The Oxford Agricultural Society held its fourth annual exhibition upon its grounds in this Borough, on Wednesday, Thursday and Friday of last week, and it can with truth he said, that it was a grand success both in display and attendance. The weather was, during the entire exhibition, unusually favorable, and added much to its success.

do say, without fear of contradiction, some of the roads in the Neck would be far better had we no supervisor for them. There is one road which we could name if so dis-

Within the building on the first floor there was much to attract the attention of all who are interested in the productions of improve their musical talent. Mr. John Brown is the teacher.

A little three year old son of Mr. Roberson's, while playing in his father's wagon, was in the act of climbing out when he fell upon a hook in the swingletree, indicting a severe wound, which at first was thought would prove fatal. Several hours leavest before a they stands for hours, while he uses his shovel. We tax-payers have to pay him for working with his shovel which is all right; but fruit, the display will scarcely be excelled by that of any other exhibition in this section of the State. The Ladies' Department, which occupied the second-story of the large building, was throughed with people during the entire exhibition. The articles here exhibited, of which there was a vast variety, were tastefully and appropriately found that all might obtain a longer to the seame that appointed him. The Commissioners need not plead ignorance of his conduct, for there was much to attract the attention of all who are interested in the productions of the stands for hours, while he uses his shovel. He stands for hours, while he uses his shovel which is all right; but fruit, the display will scarcely be excelled by that of any other exhibition in this section of the stands for hours, while he uses his shovel.

good view.

It can truthfully be said that in point of quality and variety, the entire display com-pares favorably with that of former years, while in attendance it has exceeded all Exhibitions beretofore held in this county. The attendance on Friday, the last day, was beyond all precedent. Excursion trains, crowded with people, arrived by the Baltimore Central R. R. people from different sections of our county, from Lancaster and York counties, and from Maryland and Dalaware came in carriages. in such numbers, that, notwithstanding the society had enlarged its grounds, and

\$50 per hundred derivered at the station.

Politics are running quite smoothly with us; yet we occasionally meet a genuine "Demie" who [can say, "rah for (hie) Scott," &c. We were accosted by one not long ago in these words, "Are you (hie) going to (hie) vote for (hie) Scott (hie)."

So you see they will get the conversation So you see they will get the conversation kind of mixed even in Elk Neck.

Mr. Editor, "with malice toward none, and charity for all," I want to give the readers of The Whig a fact or two as to the ways our taxes are used, who is to blame I do not pretend to say. But this I

cess.

In going the rounds, some fine specimens among the live stock, were noticed, especially among the horses, sheep and swine—
There was also a good number of short horns, Jerseys and Guernseys on exhibition, including quite a number of bulls of aforesaid breeds, some of which were fine looking animals. The display of poultry was very good both in the variety as well as size of the fowls, and no doubt the judges ance? We answer he has, and a sufficient size of the fowls, and no doubt the judges found it no easy matter to purform their duty. As to implements and machinery the collection was not so large, but some of the collection was not so large. A Singing School was organized on last the machines exhibited were of excellent one boy, (or some times with one man and saturday night, in the new school house in Pearce's Neck. The school will be a within the building on the first floor his team to the road side, and there it

Very truly yours, Sojounnen.

From Our Washington Correspondents WASHINGTON, Oct. 7th, 1873. I notice that several prominent Demo oratic papers continue to pour out their vituperation on General Grant because he did not rush, with the people's money, to Maryland and Delaware, came in carriages save the cliques of the New York stock notwithstanding exchange-men who make their money by the society had enlarged its grounds, and given much more space to carriages than heretofore, still hundreds were obliged to find accommodations for their vehicles outside the enclosure.

The Managers showed their good tarte in excluding monkey shows, gambling stalls, and other humbugs, by which the good people who come to these exhibitions are often cheated of their honest earnings.

Truly in all respects the fourth annual Exhibition was a glorious success.

Truly in all respects the fourth annual Exhibition was a glorious success. conspiracies against the people; by proare often cheated of their honest earnings.
Truly in all respects the fourth annual Exhibition was a glorious success.

The display in the vegetable department was remarkably large and fine. The potators, both white and sweet, by their size and quality, proved that the season has been a good one for this valuable esculent; so of beets, turnips, parsnips, carrots, onions, &c. While mammoth pumpkins, squashes, tomatoes, cabbage, beans, etc., spoke of peace and plenty. Two cheese pumpkins, one weighing 104 pounds and the other 88 pounds were exhibited by Chalkley J. Walton, Londongrove.

The grain and seeds were all very fine and bore testimony of extra culture and care, as well as of a bountifu harvest.—
The wheat, oats, buckwheat, timothy and clover seed, &c., were very fine. Two sheaves of giant millet exhibited by Sam'l

The Experimental Farm was well represented by some fine stock and in the fruit and vegitable departments. Twenty-five eminent worthles of the Revolutionary, Governor of New York, and Vice-Presi melons and nearly all kinds of vegetables, made the display of Superintendent Carter a very creditable one.

The large and beautiful bunches of Black Hamburg and Bowood Muscat grapes from the grapery of the President, J. L. Darlington, West Chester, were greatly admired. They were really splendid.

Mrs. P. A. Jackson, Penn, exhibited 18 varieties of apples; I. F. Vanarsdale, Zion, Md., 13 varieties of pears; S. L. Martindale, New London, 6 varieties of peaches; specimens reflect but little credit on American and the control of the United States, has been sent to the Capitol by the State of New York as one of the two contributions of statues of eminent men, authorized by act of Congress, to be placed in the Capitol by each State in the Union. New York will fill up her quota with a statue of Edward Livingstone, now being made in Italy. So far, Vermont, Ohio, and Rhode Island have sent on statues; but if the art critics of newspaperdom are to be believed, these specimens reflect but little credit on Amerdent of the United States, has been sent Md., 13 varieties of pears; S. dale, New London, 6 varieties of peaches; 16 peaches; 16 pears, 5 of peaches; 2 of quinces and 9 of grapes; Jos. T. Reylonds, East Nottingham, 20 varieties of pears; S. L. Martin.

Taylor P. Hrown, New London, 30 varieties of peaches; 2 of quinces and 9 of grapes; Jos. T. Reylonds, East Nottingham, 20 varieties of pears; Crosley Pyle, Franklin, 15 varieties of apples; John D. Miller, Upper Oxford, 9 varieties of apples; T. T. Wollens, Oxford, 9 varieties of apples; T. T. Wollens, Oxford, 9 varieties of apples; T. T. Wollens, Oxford, 9 varieties of apples; Hiram K. Cooper, Upper Oxford, 9 varieties of apples and 5 of pears; John C. Jones, West Fallowfield, 5 varieties of apples and 4 of pears; Joseph II. Kent, Upper Oxford, 9 varieties of apples and 4 of pears; Joseph II. Kent, Upper Oxford, 9 varieties of apples and 5 of melons; James Cloud, Was since. A United States Senator from the State of — addressed a letter impression has become general, yet such is MILLER-SCOTT.-At the residence of West Fallowfield, 5 varieties of apples and 4 of pears; Joseph H. Kent, Upper Oxford, 7 varieties of pears, 6 of peaches, 3 of apples and 5 of melons; James Cloud, Upper Oxford, 5 varieties of apples; Isaac P. Jackson, Penn., 11 varieties of apples; Isaac P. Jackson, Penn., 11 varieties of apples; Or. J. C. Brosius, W. Fallowfield, 6 varieties of apples; Ruth L. Taylor and R. C. Larkin, New Garden, each 3 varieties of grapes; Chas. McAdams. sumed to have plead the cause with great ability and carnestness. But Mr. Cres-well, after striving in vain to desipher the Senator's chirography, and being at length informed by a clerk of the substance of the letter, observed, with all the energy of expression of which his piety would admit, that if the application was for an allow-ance for clerk hire for the Senator ha ance for clerk hire for the Senator he would allow it without a moment's hesita

The steamer Tallapoosa, bearing Captain Buddington and his surviving com rades of the Polaris, are hourly expected here, but up to 10 o'clock this morning she had not arrived. The storm of last even-Mr. EDITOR:-We are informed that ing probably detained her, as she was to one of the young sports of the upper part leave New York on Saturday. The orders of Elk Neck, and full of Democracy a few are that upon the arrival of the Tallapoosa days since, while returning home from she will be anchored in the stream and the of Elk Neck, and full of Democracy a few days since, while returning home from town in the evening, ran his horse and buggy into a mule team. The horse turned around suddenly, and the driver being quite top heavy, was precipitated to the ground, and alighting on his head, he was so completely poised that it required some time to determine which way to fall. The mule teamster caught the horse while the poor fellow scrambled into his buggy again, exclaiming—"It takes (hie) a man to drive this orse!" and while attempting to take his seat, fell over between the horse and buggy, and with much difficulty was rerected from his perilous condition by the teamster, without any serious hurt, the horse in the meanwhile making several attempts to kick. In attempting to ascend again he fell between the body and wheels of the buggy. But being loaded up again he started for home rejoicing, with ne serious injury other than a few slight bruises, lugidant to such occasions. Burratt affair showed Andy to be a traitor of the deepest dye.

The Congressional Printer made a contract on Saturday last with Mrs. S. E. Fuller, of New York, to do the wood ongraving necessary to illustrate Raymond's forth

ed. The main difference is in the methods of photographing the sun. The French will use the American method invented by Prof. Winlock, director of the Harvard observatory. Lord Lindsay, a Scotch noobservatory. Lord Lindsay, a Scotch no-bleman, who is fitting out a private expe-dition, has also adopted this method. So far as now known there will be forty-one stations occupied with parties of observers, England and France six each, Germany

The Agricultural Department have fitted up a room for a cabinet of entomology, in which the large and growing collection of insects is rapidly being arranged. The Department has been making these collec-tions for a number of years, but has had hitherto no opportunities for displaying them. An interesting feature of the room is the collection of insect injuries and archidestroy fruits, vegetables, &c., and the manner of constructing their habitations. By means of this arrangement the farmer. acquainted with his insect, may readily identify him by the injury itself.
