K. Passmore. On motion, James McCauley, chairma of "Interrogation Committee," made a report, stating that he had notified all canlidates of the action of county Alliance, and none of them, although they treated the action of the Alliance with respect, were willing to pledge themselves. The report was received and committee discharged.

REPORT. The report of James McCauley, chairman of the committee appointed by the Temperance Alliance of Cecil county, held in Elkton on Saturday, Aug. 16th, 1873, to interrogate the candidates for the General Assembly of Maryland in regard to their standing on the subject of Local Option, respectfully represents, that after having received a letter from the President of the County Alliance, the following letter was County Alliance, the following letter was addressed to each of the candidates for the

General Assembly. "ELKTON, Sept. 10th, 1873. Dear Sir:—At a meeting of the Temperance Alliance of Cecil county, held at Elkton on the 16th of August last, the under signed were appointed a committee to ad-dress the several candidates for the Legis-lature of Maryland, asking each one how lature of Maryland, asking each one how he stood in legard to the passage of a Local Option law by the Legislature of Maryland, by which the granting of a license to sell intoxicating liquors in each Election District, shall be determined by the votes of said District, and not as a present by the signatures of two persons. resent by the signatures of two persons

Pleaso answer within two days. Signed, JAMES McCAULEY, WILLIAM SCOTTEN.

These letters were all received by the parties, as each of the eight candidates called on me before the expiration of ten ays, and acknowledged the receipt of the one of the first candidates I met, said the communication is respectful and ought to be answered, and for my own

ought to be answered, and for my own part I would answer it at once, (negatively I inferred.) as he had asked the question—if I pledge myself to support the law you require, are you able to pledge me the centire temperance vote of the country to which I answered, that I was not; but that which I answered, that I was not; but the I was not; but that I was not; but the I was not; but that I was not; but the I was not; but the I was not; but the I was not; but that I was not; but that

ment in Talbot county, by which, for or against Local Option, was printed on each designate Local Option, was printed on each ticket, and the majority to determine the delegates. I was also approached by parties outside who approved this method. I then conferred with one delegate on each side, who promised to consult his collegues on the subject of having their tickets printed with Local Option on them, but received no answer.

One candidate gave some assurance that he would answer right on the subject, but the answer has not come in.

I must say that all the candidates seemed serious and rather fearful of making any been before the county conventions of parties, so that the arrangement might have been completed for printing Local Option on the tickets, which would have

determined our strength in the county, and placed all delegates on the same footing. Remarks were then made by James McCauley, Rev. J. H. Johns and others. Resolution was then offered by David Scott, as follows: Resolved, That the most effectual pledge

is to be found in the lives and character of the candidates for the various offices, and that the members of this convention pledge themselves to select from the candidates now in the field, such as are most temper-

After considerable discussion the resolu tion was adopted almost unanimously. Some favored an independent ticket, while others favored the policy of converting the present political parties to our purpose, and in view of the late hour of action of the Alliance, it was the sense of a majority

better be adopted in the future. A recess was taken by the convention till 2.20 P. M. A motion was offered by Mr. Scott, that when this convention adjourn, it adjourn to meet on December 27th, 1873, at 10.30 A. M., in the town of strength of deliberated falsehood, through Elkton, which motion was carried.

When Taney promulgated the Dred Scott decision, its very worst feature was that he was deciding according to the constitution that Seward with equal truth denounced as " a league with the devil and a covenant with hell." Fortunately the trict, with 80 pupils. "people" in adopting the constitution did not enclose themselves in an iron shell in- hanna is stocked with Black Bass; but it capable of expansion. The constitution seems strange that we never catch one provides a way in which it can be changed and if those conditions are complied with they are, and there are any in the river,

history, and wakes up thinking America

It was, he says, a party measure; will he tell us what great reform was ever carried fishy. Nary a scale of the kind here. through otherwise than as a party measure? Any attempt at change will inevitably array its friends in support and its enemies in opposition, and become for the time the issue around which parties rally. They did not place those negroes upon an equality with the educated and refined, but simply upon political equality with whites as ignorant and degraded as themselves. It may be said that those ignorant whites are upon terms of equality with intelligence and refinement already, but if so that does not alter the facts of the case. The Doctor certainly has a poor opinion of his own color when he says that the liberty and property of 35,000,000 whites are placed at the mercy of 4,000,000 of negroes. If the blacks of America, ignorant and brutalized | The singing was superb. slavery, are so far superior to the whites

historian are concerned, we think the histain questions.

One said they had a very nice arrange- torian who records the fact that men who fought, and fought bravely through the revolution were at its close sent back to

ing the act that made all men political

"Our once prosperous Southern States ! are now ruined and bankrupt. When were they ever anything else? Repudiapledges. I think two of them said, "You know how we stand on the subject, and ought not to require us to do a thing that would defeat our election." It was further cuss the question of repudiation is North would defeat our election." It was further alleged that we were too late moving in the matter—that the issue ought to have aimed the first gun at Sumter and trailed the stars and stripes through the streets of Richmond. Once prosperous States! when was it? Not at least since the time of recorded history. Compare the census tables. Place Virginia along side of Pennsylvania. Virginia "mother of States and statesmen" the great slave breeding State of the South; compare South Carolina, hirthplace of secession, with Massachusetts: Georgia with New York, and on the word of honest men was not slavery a curse and blight wherever its upas like shadow extended? It was only in hopes of reclaim -

States upon the cast of arms. We admit the necessity of education not alone in Cecil, but in every county-not for one race but for all. The men who placed the colored schools of Cecil upon the same basis as the whites, were defying of the convention that the latter policy had the wishes of the mass of their party, and will receive their reward in due season.

The management of Washington city affairs are no doubt bad enough. They have been in the same hands that undertook to build the Pacific road on the 2,000 miles of storm-swept, irreclaimable Mr. J. W. Morgan, moved the appoint desert, but those of Baltimore, if reports able to supply any customers with any be true are in no better condition. After from each District for the purpose of circumstant partitions any Democratic the Tammany revelations any Democratic ELIAS Howe Machine, which is believed

ments. together to vote," The Democrat says.—
Can The Democrat not see that the position it is taking of opposition to the colored people as a race is the way to weld that chain more firmly.
The Doctor thinks that the moral and intellectual superiority of the white race was given by God himself. We think he took the other side of this question last Spring when Professor Burr declared that the races were of different origins; that he planted himself firmly on the Bible position that all races were sprung from the Fourth District.—R. C. Carter, S. R. Grant, Wm. Tuft, Wm. Waid, John H. Kimble.

Fifth District.—Jos. T. Reed, Wm. Scotten, I. N. Banjamin, Samuel Logan, John Shaw.

Sixth District.—W. W. Carter, T. B. Gillespie, Samuel T. Wiley, Geo. B. Passmore, Geo. Balderston.

" INTO, AFRICA." The Bourbon party is extremely anxious to control the State and county offices for another term, and the people are appealed to—by the African Explorer of The Ceeff Democrat—as the arbiters of that question, to grant their request, on the sole reason that the State and county should not be allowed to fall into the hands and under the control of negroes. The fact scems to be entirely ignored that the Republican ticket is just as white as the Bourbon, and a good deal cleaner, politically, if the dirty linen of their party is not promptly put out to wash, and some of the thieving and

other rascally stains removed.
Crushed under the obloquy of a record
which is as black as it is full of failures, disorganized by a trading coalition which was as destructive of all vigor as it was of all virtue, they can make no telling issue frame no sensitive policy, and find nothing to rally on; and are compelled to fall back into the old offensive rut; and we may now to rally on; and are compelled to fall back into the old offensive rut; and we may now expect to have nothing else but just such bitterness, crimination and predjudiced allusions to imaginary oppression, tyranny, and negro supremacy, as appeared in last week's issue of the resurrecting sheet—Cecil Democrat—under the head of "Into Africa," which would have been more appropriately styled, "A Resurrection of Dead Issues." Said article looks very much like those published a dozen years ago by papers of the same kidney, when they were stirring up sectional animosities and preparing the way for the war by ing, the political supremacy they were los-ing that they staked already bankrupt States upon the cast of arms.

drain of precious blood from the hamlets and cities of both sections.

It the learned Editor and M. D., African Explorer, &c., &c., accompanied by the ring worms of Elkton, would only go on a genuine expedition into the wilds of Africa, what a blessing it would be to the tax payers of Cecil. The Doctor is demoralized. A few more figures, and I think it will be necessary to resurrect him. Previous.

AT HOME. During the past Summer in this county the sewing machine business has so rapidly increased that I have for our Fall and Winter trade renewed our stock so as to be

must be without shame who will say much about the mismanagement of city governments.

This must be without shame who will say much to be superior to any other machine in the market, with all the latest improvements of 1872. In addition to this, I have the Bogus Howe, \$40; Grover & Baker, \$35, and other makes at prices as low as \$2.50.

To gild our paths with pleasure; But grasp it as we may, It will not last for ever.
