Purges, Purifies and Strengthens
the System.

Dr. Tatt's Pills are composed of may incredient. Prominent among them are Sarsaparilla and Wild Cherry, so united as to act together; the one, through its admixture with other substances, purifying and purging; while the other is strengthening the system. Thus there Pills are at the same time a tonk and a cathertic, and desideratum long cought for by medical rem, but never before die extred. In other words, they do the work of two medicines and do it much better than any two we know of for they renove acting from the system that impurities, so that while they purge they also strepgthen, and hence they cause no debility and are followed by no reaction.

Dr. Tutt's Pills have a wonderful influence on the blood. They not only purify without weakening it, but they remove all noxions particles from the child buffer at its conjected into find, and thus makes impure blood an imposibility. As there is no debilitation, so there is no names or sickness attending the operation of this most excellent medicine, which never strains or tortures the digestive organs, but causes them to work in a perfectly natural manner; hence persons taking them do not become pale and emiscated, but on the contrary, while all impurities as a long removed, the contrary, while all impurities as a long removed, the contrary and in the result of their united action.
