a great deal of labor. I think it don't selecting the male turkeys to preserve

From the New England Farmer.

Some eight or ten years ago, Joseph Millard, three young farmers living almost within a stone's throw of each other decided to loss throw of each other decided to loss in the stone's throw of each other decided to loss in the stone of the largest males may be Millard, three young farmers living almost within a stone's threw of each other, decided to join in establishing a like with safety, even if paired with fair to medium sized hens, provided the Pawtucket, R. I., some six miles away. Neither farm was large enough to sus-tain a route alone, but the three together could do it easily. Neither wanted to take the place of a middleman and do all the marketing, nor did either

The milk accounts are all kept in one book, and the buyers at the village setcomes by one or another of the memthird day in regular order, unless, for accommodation sake, one goes a trip for one of the others. Each uses his own horse and wagon, and each knows the amount of milk that is taken from the different farms every day.

The definition of all the eggs she may lay in the first litter after it. A day or two of the gobbler with the hens answers all the purpose of weeks, and greatly diminishes the danger of injury. As additional safegared out the source. the different farms every day.

every week enables him to market most and toe-nails, and burn off all the sharp of his other produce, such as apples, potatoes, sweet corn, tomatoes, and other garden products, of which each one garden products, of which each one projects considerable market most object with a hot iron, of course taking care not to injure the fowl. If this be done, breeding with large turkeys is make considerable market most raises considerable quantities without quite as safe as with smaller birds.

We are aware that the American pasmaking special trips for such purposes. Nor is there any hitching up and going to the store for purchase; all the buying, as well as selling, being done on keys, size can be secured without dantheir regular market days; and they are all in daily communication with the Post Office, which is no small conve-

Under this system of partnership the cost of marketing is reduced to the minimum, while each bears his just proportion of the expenses, and receives equal share in all the advantages of the vated in corn without rest for from fifty combination. Since this arrangement has been established, all their farms It did not, in 1869, produce over twenhave been really enhanced in value.

The young men have increased their was not planted, as it was thought The young men have increased their stock, and it is better fed and better that it would not pay expenses of culti-housed. Buildings have been repaired vation. A 35-acre field, one half of and enlarged, more and better tools purchased, and the land is constantly increasing in fertility and productiveness. But little complaint is heard from them about hard times for farmers. They pay their bills, take the papers, and know what is going on in the world

We have been familiar with this company from its organization, and believe the example these men have set is worare now grumbling about the cost of getting their goods to market.

Mr. Von Horskyfield, owner of the largest land estates in Bohemia, has els. An adjoining farm of 500 acres, since 1850 introduced a method of treating the accumulating manure, which my 35 acres. So much for clover and differs from the usual process, and for which he claims many advantages, within a few years I can make my farm viz., economy of time, space, feed, and bedding, a great saving of money and produce 75 to 80 bushels per acce, with bedding, a great saving of money and of hands, and no necessity for such plowing, break deep, and plow deep, contrivances as cellars, tank-pumps, and when your corn is young. contrivances as cellars, tank-pumps, &c.; also, a far better product, no loss occurring from evaporation and rot; and, finally, a decided improvement in the condition of the cattle-yards, which never show any trace of manure, either solid or liquid. He says all these favorable results are obtained in the following way: The manure is not removed | There is no difference between home from the stable until it reaches the made superphosphate and the factory-height of five feet; the straw for bed-made, if the latter is pure. The proding is cut into length of about fire cess is very dangerous and inconvenient

supply the short crop? And as your usual value, according to Mr. Von valuable paper is extensively circulated Horskyfield's experience. Besides this,

MEDICINAL.

Dr. J. Walker's California Vin-Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegam Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great covers his health. They are the great blood purifier and a life-giving principle. of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegan Bittens in bealing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious

Diseases
The properties of Dr. Walker's VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diaretic, Sedative, Counter-Irritant Sudorific, Altera-tive, and Anti-Billous.

tive, and Anti-Bilious.
Grateful Thousands proclaim VIN-IGAR BITTIES the most wonderful In-vigorant that ever sustained the sinking

No Person can take these Bitters according to directions, and remain long mwell, provided their bones are not de-stroyed by mineral poison or other means, and vital organs vasted beyond

repair.
Billions, Remittent and Intermittent Fevers, which are so preva-lent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Hlinois, Tennessee, Cumberland, Arkan-sas, Red, Colorado, Brazos, Rio Grande, sas, Red, Colerand, Brizzos, Rochande, Pearl, Alabama, Mobile, Savannah, Ro-anolee, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Antunia, and remarkably so daring seasons of unusual heat and dryness, are invariably accompanied by extensive de-rangements of the stomach and liver, and other abdominal viscera. In their and other abdominal viscera. In their treatment, a pargative, exerting a pow-erful influence upon these various or-gans, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKIN'S VINEGAR BUTTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stignulating the secretions of the liver. stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. Fortify the body against disease

by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed. Dyspepsia or Indigestion, Head-nche, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eractations of the Stomach, Bad Taste in the Moath, Bilious Attacks, Palpitatation of the Heart, Indammation of the Langs, Pain in the region of the Kid neys, and a hundred other painful symp-toms, are the offsprings of Dyspepsia.

One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Serofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eraptions of the Slin, Sore Eyes, etc. In these, as in all other constitutional Discusses, Wallacer's Visuara Birriens have shown their great carative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Pharmatographs.

Rheumatism, Gout, Billous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Käheeys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood, 7 Mechanical Dispases. - Persons en-

gaged in Paints and Minerals, such as Plambers, Type-setters, Gold-heaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKLA'S VIN-EGAR BITTERS occasionally. For Skin Diseases, Eraptions, Tet-

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring worms, Scald-head, Sore Eyes, Erysipelas, Rich, Scurfs, Discolorations of the Skin, Rumars and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Ritters.

Pin, Tape, and other Worms, burking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifages no anthelminities will free the system from worms like these Bitters.

like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of we manhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible. provement is soon perceptible.
Cleanse the Vitlated Blood when

chemise the vittated blood when-ever you find its impurities bersting through the skin in Pimples, Eruptions, or Sotes; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow. will follow.

Iron in the Blood

MEDICINAL.

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as casily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Com-

curing Dyspepsia, Liver Com-plaint, Dropsy, Chronic Diar-rhaa, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Diseases of the Kidneys and Bladder, Pemale Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into eit parts of the system, and building up an Iron Constitution.

See that each bottle has PERU-VIAN SYBUP blown in the glass. Pamphlets Free.

32-FULL DIRECTIONS accompany each bottle.—

Vegetable Life Invigorator,

MCHILIN MCSUOTALLY 6, compased of simple vegetable extracts; it contains nothing deleterious to any constitution, however delicate, its functions being to aubstitute strength for weakness, which it never fails to do. It has a most delightful, desirable and novel effect upon the nervous system, and is good for Femsles, old or young.

As simple appetizer it will replace with advantage any Bitteria in the match, its use being perfectly safe, and its taste pleasant.

It is the lest anti-Dyspectic extant, and will care DYSPERSIA, LIVER COMPLAINT, GENERAL DERILLY, DEFRESSION OF SPIRITS, LOSS OF APPETITE AND VITAL EXERGY, HEART DISEASE, NERVOUS IRRITABLITY, DISEASE OF KIDNEYS AND BLADDER, RHELMATISM AND GUUT, and Purificathe Biccol.

The Intigerator, by its harmless and exhibitating effects, makes life pleasant, by anoticuling the cleerfulness consequent upon vigor and health to the morbid influences of a shattered constitution, a diseased Liver of pipes.
