General Butler as Leader of the House. Since the triumph of Butler in securing the confirmation of Simmons as Collector has witnessed the inauguration of thirtyof the port of Boston, over the opposition six Governors, was crowded in every availof both Senators from that State, and making a humiliating spectacle of Senator of Maryland, Hon. James B. Groome, of Boutwell on that occasion, he has boldly assumed the position of leader of the House. The audacity of the man, his fertility in resources and expedients, his evident ability in brain power, confound existed when General Washington resigned existed when General Washington resigned and astonish those who watch his movements without enlisting their sympathics. Chief among salary grabbers, and leader dress of this class of politicians, are powerful elements to achieve success and Maryland. terprising allies, because their gains are great; but fortune does not generally gates."

The band of the Naval Academy, which keep company long at a time with adventurers, and as soon as the first adverse wind begins to blow they are up and away to offer their free lances to their old

General Butler is a good hater, and a General Butler is a good hater, and a feet to the left of the Secretary's desk, man of an excellent memory. He has not were seated Mrs. J. C. Groome, mother of forgotten the dreadful humiliation of Fort Fisher, which General Grant put upon deliberate purpose to court the friendship of General Grant's Administration ever since Massachusetts honored him with a seat in Congress. Steadily and systemathas most triumphantly accomplished in securing, first the appointment of Simmons as Collector of the port of Boston, by the President, and then engineering his confirmation through the Senate in opposition to both Senators from the old Bay State. This achievement is without precedent, it is said, in our history. No one who has formed an opinion on the subject will assert that Butler has the

worked his way to the lead in the House. and if he continues to progress in the same direction he will assume to shape and control the administration. That this spectation, and looking for guidance to a divine power, which always aids him who carnestly and sincerely invokes it, enter upon my official duties, with a full determent of that class of adventurers who trade that class of adventurers who trade the control of the class of adventurers who trade the control of the class of adventurers who trade the control of the class of adventurers who trade the control of the class of adventurers who trade to my admit the measured to my admit the measure of the my admit to my admit to my admit to my admit the measure of the my admit to my admit the measure of the my admit to my admit the measure of the my admit to my admit the my admit the my admit to my admit the my admit to my admit the my admit t not of that class of adventurers who trade in politics, and live by plundering the true interest, and especially to encourage and endeavor to foster a judicious economy in the administration of every departtration he assumes to act for. This is the history of all knights of fortune, whether suggestions contained in those admirable such men are not suggested for appointment by the class of which Butler is so brilliant a leader. To bring General Grant brilliant a leader. To bring General Grant and his administration into disgrace with quired the people who give real tone and shape to the policy of the nation, and make it all it is of greatness before the world and, a power among the nations, would be a suppower among the nations, and the single allowed the sixth Regiment to appear, preme triumph of revenge to Butler we have not the least doubt. His wrongs and many slights in the field would be richly avenged in the cabinet and the council. To this end Butler is surely bending all of his efforts. Will General Grant not see suffers itself to be led, and the administration whose policy and appointments are dictited by a defender of the Credit Mobilier, champion of the Salary Grab, and the ed with flowers. unblushing abuse of the Franking privilege, are bound to suffer ignomy. While Butler has nothing to lose,-his gains are of a kind which can suffer no loss-Gen. Grant has a fame that is worth preserving to keep untarnished; and the nation may be brought to suffer immensely in it business and prosperity.

were scated Mrs. J. C. Groome, mother of the Governor elect, and his two sisters, Mrs. Wm. M. Knight, wife of Senator Knight, of Cecil county, and Mrs. J. J. Black, wife of Dr. Black, of New Castle, Del., who was also present. Every portion of the Senate Chamber was now completely filled, except the seats left vacant for the Court of Appeals. The benches outside the bar were occupied almost entirely by ladies, as also those in ically he has pursued the one object reaching the leadership of the House, as the champion of the Administration. This he the leadies were the wives of Senators. Among the ladies were the wives of Senators Stevenson ens, Tuck, McCulloh, Blake, and others. A few members of the House found seats, but a vast majority had to stand on the

floor of the Senate. A few minutes after twelve the Judges of the Court of Appeals entered and took their seats, followed by the Governor elect, and Governor Whyte. The Godernor took the seat of President Carrol, which was vacated for him, and in a few moments rose they will carry on the war with renewed and delivered his inaugural address, in a clear distinct voice, as follows:

Gentlemen of the Senate and sympathy of the great mass of the Republican party which constitute its colossal moral power, and who control the party and the nation when the emergency arises to put that force in motion.

From being a bitter enemy to General Grant, Butler has silently and steadily worked his way to the lead in the House. me in the elevated position to which you have chosen me I shall with diffidence as to my ability to fill the measure of your

Butler's net, General Grant and his administration must be the sufferers in the end, along with the integrity and true patriotism of the country. It is evident attention, and on some of which you widely patriotism of the country. It is evident to us that Butler is acting the part of Mephistopheles toward General Grant, against whom he means to turn the storm of public opinion which the former, with the sentiments of a true adventurer and soldier of fortune loses no opportunity to avow he despises. General Butler's successes in his bold dashes are all personal gains to him, while his failures do not injure him but fall upon the purty and adminisnot improper, at this late day of the ses-

of skillful political maneuvres and surprises, but General Grant's fame is to be secured by achievement of a far different nature. The wise administration of the nature. The wise administration of the affairs of a great nation are depending upon him. Sound statemanship, executive ability and sterling integrity in all his officers are indispensable necessities to conduct a successful administration, and such men are not suggested for a successful administration, and such men are not suggested for a successful administration, and such men are not suggested for a successful administration, and such men are not suggested for a successful administration, and such men are not suggested for a successful administration, and such men are not suggested for a successful administration, and such men are not suggested for a successful administration and successful administration and successful administration are depending occasion, following the example of my last six months 250 illicit distilleries have been suppressed. Of these, 75 were in Morth Carolina, 71 in Tennessee, 37 in Georgia, 29 in Kentucky and 12 in Virginia. The capacity varied from 15 to facility and for the gallous.
