-Dusty streets are becoming familiar to ceive the new Board. We hope the new Commissioners will be considerate to the poor property holders of the corporation in the matter of levving light taxes. But few will be exempt from this blessing if

-The County Commissioners have exacted a promise from the School Board, that they will build no new school houses, or repair old ones for one year, and on the strength of this obligation the County Commissioners have agreed to levy 25 cents time rolls round, under the above contract, the Elkton Public School bids fair to be taught in the groves like the old Grecian Academy. The skies of Athens were more favorable for that kind of school room than those of Elkton. The scholars didn't need any desks to protect books in those far off days either. They graduated fine scholars from that sylvan school house, nevertheless, which is encouraging for the prospect before Elkton.

The gillers too have done well. The run is now falling off and the season pretty well over; some are already cutting out. The season though short may be considered season four years. The most of the firms have made considerable money, but the amount depends somewhat upon the price they real-Academy. The skies of Athens were more

Correction .- I take this method of correcting an error, concerning my injuring one of my scholars by choking him. The assertion is false. I called him to me to profits. reprove him for laughing aloud; and when he came, he brought the poker and assailed ine with it, and I took it from him and presented him to his father for correction; and as he was crying, his nose bled, and that is why his handkerchief was soiled. The name of the boy above alluded to is Oliver, son of Edward Thomas.
