THE POWER OF ELECTRICITY

What Twelve Cents Worth Of It Will Do.

In view of the fact that an electric plant is being rapidly pushed to completion in Centreville, the following may prove interesting to many of our readers.

One of the best known electrical engineers of England has prepared a table of statistics showing the work which can be accomplished by a kilowatt hour, or the consumption of 1000 watts of electricity per hour. On the regular lighting circuit the kilowatt hour of electricity costs about 12 cents, and where it is used for heating and power in large quantities the consumer pays considerably less.

According to the Englishman's figures a kilowatt hour will—

Saw 300 feet of timber (dead).

Clean 5,000 knives.

Keep your feet warm for five hours.

Clean 75 pairs of shoes.

Clip five horses.

Run a mechanical sieve for two hours.

Run an electrical clock for 10 years.

Light 3,000 cigars.

Knead eight sacks of flour into dough.

Supply all the air required by an ordinary church organ for one service.

Pump 100 gallons of water or other liquid to a height of 25 feet.

Run an electrical piano for 16 hours.

Keep four domestic irons in use for an hour.

Keep you warm in bed for 32 hours.

Warm all the beds in the house by a warming pad for a fortnight.

Give you heat in your bedroom for an hour while you are dressing or undressing.

Boil nine kettles, each holding two pints of water.

Cook 15 chops in 15 minutes.

Run a small ventilating fan for 21 hours.

Keep your breakfast warm for five hours.

Run a sewing machine for 21 hours.

Carry you 30 times from the bottom of the house to the top, 80 feet each journey.

Keep your coffee pot warm at the breakfast table every day for a week.

Carry you three miles in an electric brougham.

Bishop To Tramp Again.

Bishop Leighton Coleman, of the Episcopal Diocese of Delaware, is arranging to take his annual pedestrian tour incognito next month. As is his custom, the Bishop, who is 70 years old, will discard his clerical garb for a tramping outfit.

Last year he walked 200 miles down the Shenandoah Valley in about two weeks, sleeping wherever he could get accommodations. This year, however, his tour will last only a week, because of a pressure of church work. He will walk nearly 100 miles.

The Bishop refuses to say when he will leave and declines to give his route in advance. He always goes alone.

Diarrhoea Cured.

"My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure, without avail," writes John H. Zirkle, of Phillipi, W. Va. "He saw Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Philippi Republican and decided to try it. The result is one bottle cured him and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although sixty years old, can do as much work as a young man." Sold by Forman & Keating.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp Root, the great kidney remedy, is soon realized. It stands the highest for wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles.

You may have a sample bottle of Swamp Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp Root, Dr. Kilmer's Swamp Root, and the address, Binghamton, N. Y., on every bottle.

Our Time Is Yours

WHENEVER YOU'RE READY
TO PICK OUT THAT NEW
SUIT.

We want a chance to talk to you about your Spring Clothes. We believe we can come nearer than anyone else to giving you what you want in the way you want it, at the price you want to pay.

Don't make up your mind about Spring wearables until we have spread before you some of the values in our new assortment. Let us slip on a few sack suits—Spring models—new, neat gray effects. Stand in front of the mirror and examine the fit and general effect and see what is becoming to you.

The object of this suit is to obtain a divorce "vinculo matrimonii" by the plaintiff from the defendant.

The bill states that the parties were married on the 15th day of May, in the year 1895, in Queen Anne's county, and that they resided in Queen Anne's county until 1895; that on or about the 1st day of July, in the year 1895, the defendant absconded, and deserted the plaintiff without cause, and such abandonment has continued uninterrupted ever since said date, and is deliberate and final, and the separation of the parties is beyond a reasonable expectation of reconciliation; that on the 15th day of July, in the year 1907, the plaintiff filed a bill in this court that his wife had been absent from his home on two different occasions for the said Richard Morden, and the same were returned non est by the Sheriff of Queen Anne's county, and the Plaintiff prayed for this order of protection.

It is further ordered by this court that on the 15th day of July, in the year 1907, ordered by the Circuit Court for Queen Anne's county, in Equity, that the plaintiff, by causing a copy of this order to be inserted in some newspaper printed and published in Queen Anne's county, on or before the 15th day of August, in the year 1907, give notice to said defendant of the object and substance of this bill, warning him to appear in this Court in person, or by attorney on or before the second Tuesday of September in the year 1907, to show cause, if any he may have, why a decree should not be passed as prayed.
