Contested Election Case.
Judge P. B. Hooper last Saturday signed orders in the contested election cases in which petitions were filed in the Circuit Court of Queen Anne's county by the Independent candidates for County Commissioners and Sheriff against the Democratic County Commissioners and Sheriff, requiring them to answer the petitions on or before the fourth Monday in January. Judge Hooper also signed an order appointing George A. Whitley to serve the papers on Sheriff William S. Delahay, who is now acting as Sheriff, and whose office is contested.

The case will, in all probability, be argued before the next January term of court. But if it is not, then a time will be agreed upon by counsel for the taking of testimony.

The appealed injunction suit, which the Independents lost before the Circuit Court, has been sent to the Court of Appeals.

Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. It invigorates the entire system and strengthens the kidneys so they eliminate the impurities from the blood. Backache, rheumatism, kidney and bladder troubles are all cured by this great medicine. Commence taking at once and avoid Bright's Disease and Diabetes. Sold by all dealers.

For Extension of Term.
Among the petitions introduced in the Senate Monday night was one by Senator Goslin, of Caroline, which requests the Legislature to extend the term of Chief Judge James Alfred Pearce, of the Second Judicial Circuit. There is a general demand throughout the counties composing the Second circuit of Cecil, Kent, Queen Anne's, Caroline and Talbot for the extension of Judge Pearce's term. Not only are his services upon the bench highly regarded by lawyers and people of those counties, but he is considered one of the ablest members of the Court of Appeals, and there is a general desire that he be allowed to continue his work in the State's highest tribunal. Judge Pearce will reach the age limit of 70 years before the expiration of his term and before the next legislative session.

It is a dangerous thing to take a cough medicine containing opiates that merely stifle your cough instead of curing it. Foley's Honey and Tar loosens and cures the cough and expels the poisonous germs, thus preventing pneumonia and consumption. Refuse substitutes and take only the genuine Foley's Honey and Tar in the yellow package. Sold by all dealers.

MRS. SPARKS DIVORCED
Decree Granted in New York Friday of Last Week.
Mrs. Beverley N. Sparks was granted a divorce in New York from her husband Friday of last week. Mr. Sparks is a native of Queen Anne's county, and is well known here and throughout Maryland, having been connected with several newspapers in this and other states. The grounds for divorce were unfaithfulness.

Mr. and Mrs. Sparks were married in 1905, when they eloped to Ellicott City. At that time Mrs. Sparks was a student at Mount St. Agnes' Convent at Mount Washington, and her parents were residents of Pittsburg. Since their marriage they have resided in Pittsburg, New York, Centreville and Easton. At the present time the location of Mr. Sparks is not known to his friends in Queen Anne's county.

HANDICAPPED
This is the Case With Many Centreville People
Too many Centreville citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and treatments may give relief, but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. The following statement should convince every Centreville reader their efficiency.

W. H. Peterson, Railroad avenue, Dover, Del., says: "I can recommend Doan's Kidney Pills highly, as I know them to be a good remedy for kidney trouble. I have used them several times during the past few years for disordered kidneys and painful back and they have helped me more than any other preparation I have ever taken. I also had considerable trouble with the kidney secretions and at one time I passed gravel stones. I began using Doan's Kidney Pills and in view of my experience, I advise other kidney sufferers to give them a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
