Has Been Tested out in Packard and faction Than Gasoline, it is Said.

owners will, no doubt, he delighted to learn that a substitute for gasoline can be manufactured for 1: cents a gallon and that it will run a motor car faster than gaseline. The product is now being made in Indianapolis. F. E. M. skovice, commercial mana ger of the Nordyke & Marmon Company, of Indianapolis, has seen the substitute made and has observed tests of it. Some of the biggest men in the motor car business in this country are interested and predict that the new fuel will revolutionize not only the motor car business, but all manufacturing business

The new fluid is called 'aquaine,' by John Andrus, a Portuguese of Mckeesport, I'm, who was recently paid \$30 000 by the government for a discovery he made in sughening at mor plate. Andrus has discovered a was of breaking down water without the use of great heat and the new fluid concents mostly of water a little naphthalene and two secret ingred is not a that can be bought at any drug store. Andrus mixes these in a stal to which heat is applied and the result a a fluid that is superi r to gasoline Andrus interested tari Picher, presi-

den. of the Prest O lite Company and president of the Indianapains Speedway tonipany in his invention and Finter wert to McKingort to see it tested between contest that another test should be made in Indianagemen and that was done . Woman So Weak and Nervous Could Not Stand Her Children Near Her - Vinol Changed Everything for Her

I was it had health I got so I could not sleep and I could not stand it to have my children come near me I could not even new or do any heavy housework I was simply tired all the time. I tried them all, but nothing did me any good. One day a friend asked me to try Vinol and said it was the best tonic she ever saw. I did so, and soon got the first good night's sleep I had had for a long time Now I sleep well, my appetite is good, my nervousness is all gone and I am so strong and well I do all my housework and work in my flower garden without feeling tired or nervous. Vinol has made me a well and happy woman. Mrs. C. H. MILLER, Plant City, Fla. Vinol contains the curative, healing

principles of fresh cod livers (without oil) and tonic iron. We ask every weak, run-down, ner-

vous person in this vicinity to try Vinol, our delicious cod liver and iron tonic without oil, on our guarantee to return their money if it falls to benefit. Holland & Thompson, Centreville, Md
