Queen Annes County Solidly Democratic

In Line With the Glorious Victory of the State

DEMOCRATIC GAINS IN EVERY SECTION OF STATE—DEMOCRATS WILL HAVE TWO THIRDS MAJORITY IN NEXT LEGISLATURE.

GOV. SMITH WINS SENATORSHIP

The Democratic Party in Queen Annes county is to be congratulated for its wonderful victory of last Tuesday. Two years ago, when a number of Democrats left their own party, and entered with the Republican party, the Democratic party was temporarily disorganized and its movement was impeded. It was impossible to agree upon a definite plan of campaign and the consequence was that this movement was abandoned, and they entered upon an administration of county affairs which appeared to the average person as founded upon a pretty, solid basis, politically speaking, so long as they could find the Republican party solid.

The Democratic Party in Queen Annes county is to be congratulated for its wonderful victory of last Tuesday. Two years ago, when a number of Democrats left their own party, and entered with the Republican party, the Democratic party was temporarily disorganized and its movement was impeded. It was impossible to agree upon a definite plan of campaign and the consequence was that this movement was abandoned, and they entered upon an administration of county affairs which appeared to the average person as founded upon a pretty, solid basis, politically speaking, so long as they could find the Republican party solid.

No part splendidly in bringing about the result. It gave a plurality for Crothers of something over 1000. The counties which are aligned in the Democratic column are Anne Arundel, Baltimore, Caroline, Carroll, Cecil, Harford, Howard, Kent, Montgomery, Prince George's, Queen Annes, Somerset, Talbot, Worcester and Worcester.

St. Mary's went for Walker, and will have to be put in that column, but it went for the remainder of the Democratic ticket, elected a Democratic local ticket, and one of its two members to the legislature is a Democrat.

The other counties which lined up under the Galtier banner were Allegany, Calvert, Charles, Dorchester, Frederick, Garrett and Washington. It was not plain calling for the Republicans by any means. In Allegany, where they were counting on 1000 plurality, they got 1,000, with one protest (Frankburg) missing. That may run it up to 1,300 but so near. The Democrats elected Ford, one of their candidates for the Legislature, having four delegates to the Legislature. Calvert elected one Democrat and one Republican to the Legislature, and elected a Republican to the State Senate. But it gave a heavy plurality for Judge Ritter, over General Wilmer, even heavier than the one expected.

Constitutional Board of Commissioners has been elected. The Democrats have won a large majority, thus securing a majority in the United States Senate of Hon. William Pittman White for the short term and Hon. John Walter Smith for the long term.

In the city the entire Democratic ticket was successful and at the time was there any danger about any candidate on the ticket except Judge Garter. His vote was one of the surprises of the election. It had been fully expected that he would run far ahead of his ticket and the fact that Judge Nile was ahead of him in nearly every precinct was considered an astonishing feature.

The indications from the latest returns from the counties are that the Democrats will again have a two-thirds majority in the Legislature. Chairman Vandiver estimates the Democratic membership of the House at about 70, and this would be a clear two-thirds majority.

As Governor Smith, for United States senator, will have a clear majority of the Democratic caucus.

Outside of the city the ticket was solidly supported by Democrats, and a particularly good showing was made for Judge Crothers on the Eastern shore. Here every county except Dorchester went for the ticket and Dorchester gave Galtier only a small plurality—less than 200—although it had been claimed that it would give him at least 300. The returns from the Eastern shore seem to indicate that the voter vote did not cut the figure in the campaign that was expected, and the Middle James combination failed to hold water. This result of the success of the ticket on the Eastern shore is due to Governor Smith's success.

The carrying of Kent and Talbot counties by substantial majorities, was a heavy blow to the Republicans. The election of both the Democratic candidates for Judge, Messrs. Adkins and Roper, in the second circuit, was one of the things that somewhat surprised the Democrats in other parts of the State. It had been expected that the Republicans in this circuit would elect at least one of their judicial candidates but they failed, and Justice Adkins and Roper won by a good margin.

JERSEY DEMOCRATIC

Frank Katsenbach Elected Governor by 10,000 Plurality.

CHANGES IN THE ASSEMBLY

Democrats Not Only Made Heavy Gains in North Jersey, But Also Gained Large Republican Majority in Southern Part of State.

Trenton, N. J., Nov. 4.—Frank H. Katsenbach, Jr., Democrat, has been elected governor over John F. Fort, Republican, by a plurality of from 9,000 to 10,000. Mr. Katsenbach has

not only made heavy gains in North Jersey, but has also cut down the formerly large Republican majority in South Jersey. Hudson county went Democratic by 500, and Hudson county by 10,000. Atlantic county is very close. The assembly for H. Otto Wittman, Democrat, and Mark N. Fagan, Republican, in Jersey City, will

have a heavy Democratic vote. This will increase the Democratic representation in the senate from seven to eight and reduce the Republican strength from 14 to 13. The re-election of Senator Wakelee, Rep. of Bergen, and of Senator Hillery, Rep. of Morris is also in doubt.

Half of the assembly will probably go Democratic. The Democrats have carried Monmouth county and probably Union county.

The Vote in Cape May. Cape May, N. J., Nov. 6.—Fort, Republican, for governor, has 700 majority in Cape May county and Republicans elect E. E. Stille, Republican, assembly, and Charles F. Vannaman, Republican, surrogate, by the same plurality, while Corson, Republican, for sheriff, has 200. The new board of freeholders stand eight Republicans and two Democrats. In Cape May city Frederick J. Melvin, Democrat, is elected mayor; Joseph R. Brooks, all Republicans, are elected councilmen and the new body stands eight Republicans and one Democrat. John W. Thompson, Republican, for recorder; I. H. Smith, Jr., city treasurer, and R. Needles, for tall receiver, are elected.

Camden Elects Republican Mayor. Camden, N. J., Nov. 6.—John F. Fort for governor carried the county by 500, and Ellis, Rep., has been re-elected mayor by 600.

Fort Cut in Atlantic City. Atlantic City, Nov. 6.—The Republican majority for the state ticket is 1000, the normal majority being 500. Edward Wilson, for senator; Martin Koller, for assembly, and I. Scott Holmer, for coroner, Republicans, are elected. An unusual cut was made on Fort. All the Republican councilmen were elected.

Chesterfield Elects Republican Mayor. Chesterfield, Nov. 6.—By a decisive plurality and possibly by a clear majority over all four competitors, Colonel Markbreit, a veteran German editor, and former United States minister to Berlin, was elected mayor of Chesterfield on the Republican ticket. He fought with him the entire Republican ticket. The campaign had been vigorous, but the fact that Mayor Demsey, who was elected two years ago by a combination of Democrats and Republicans, was the pro-Democratic candidate of the Democrats out, and was opposed by many former supporters, gave the Republicans additional support.

The Democratic Rooster

His Majesty's Rooster. His Majesty's Rooster, of Southville, who was about five weeks ago sent to the Baltimore City Hospital for treatment, died at that institution Tuesday of last week. Her remains were brought to Centreville Wednesday and interment was made at Holden's church.

The carrying of Kent and Talbot counties by substantial majorities, was a heavy blow to the Republicans. The election of both the Democratic candidates for Judge, Messrs. Adkins and Roper, in the second circuit, was one of the things that somewhat surprised the Democrats in other parts of the State. It had been expected that the Republicans in this circuit would elect at least one of their judicial candidates but they failed, and Justice Adkins and Roper won by a good margin.

The State outside of the city of Baltimore, where the Democrats have a clear two-thirds majority in the Legislature, is also solidly Democratic. The Democrats have won a large majority, thus securing a majority in the United States Senate of Hon. William Pittman White for the short term and Hon. John Walter Smith for the long term.
