Statistics show that in New York City alone over 300 people die every week from consumption.

And most of these consumptives might be living now if they had not neglected the warning cough.

You know how quickly Scott's Emulsion enables you to throw off a cough or cold.

Machinery is digging the Panama Canal a thousand times quicker than the shovel dug the Erie. Machinery produces the L. & M. Paint at 50 times less cost for labor, than if made by hand.

The L. & M. gives the best job in the world, because L. & M. Zinc hardens L. & M. White Lead and makes L. & M. Paint wear like iron for 10 to 15 years. It only requires 4 gallons of this celebrated paint and 2 gallons of Linseed Oil at 60c per gallon, to paint a moderate sized house.

If any defect exists in L. & M. Paint will repaint house for nothing.

Almost everybody who reads the newspapers to see to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. Fall and Winter Wear Clothing

The ordinary clothing merchant's arguments in favor of his stock are dry reading at best. You know what he is going to say the moment he speaks, it's always fit, fashion, fabric and price. There's no more freshness or novelty in his talk than there is in his clothes. But any more style than he could say something to you that would make you look at our fall stock in the light it deserves. The very appearance of the garments bespeaks comfort, and the feel of them is a luxury.

We bought a much larger stock than we ever before thought of buying, consequently we have a large number of Suits in all the latest styles and most attractive patterns.

For Men, Young Men, Boys and Little Boys. Come in and look us over, and we are sure to please you in quality, style and price.

Dry Goods

We were never so well fixed. Notwithstanding the advanced prices on most all kinds of materials, we have laid in our fall stock of Dress Goods, Silks and Domestic, with a few exceptions, at old prices and we're now ready to give the trade the advantage of our early buying.

Shoes

We have just received our Fall line, and our past experience of many years tells us that there are no shoes made that will wear longer, give better satisfaction or have any more style than the Crossett and the Lion F. Rogers. We have them at the popular prices for men and boys—\$3.00, \$3.50, \$4.00.

Be sure to see our Ladies' and Children's Coats before you buy. Nice line Ladies' Tailor-made Suits. We can save you money.
