Beauty in Printing

IS MORE THAN SKIN DEEP

It not only looks good at first, but as long as it lasts. Bad printing spells poor service, but that's another story, for you can't get that kind from us.

If we can't make a success in business by doing good printing, we'll try something else, and you know we know good printing, and know how to do it, after an experience of 20 years.

We are members one of another. We are so constituted that we seek the social life and let love and sympathy and mutual help find constant expression. We are born not to live selfishly but to live for the greatest good of the greatest number.

Chamberlain's Cough Remedy never disappoints those who use it for obstinate coughs, colds and irritation of the throat and lungs. It stands unrivaled as a remedy for all throat and lung diseases. Sold by all dealers.

What we keep by us is our own and may be changed or mended, but the word that has escaped our lips is beyond recall. That is all right when the word is good, but it is all wrong when the word is evil. If this were remembered more fully there would be far less thoughtless and injurious speech.

Many Children are sickly.

Mother Gray's Sweet Powders for Children, used by Mother Gray, a nurse in Children's Home, New York. Break up colds in 24 hours, cure Feverishness, Headache, Stomach Troubles, Teething Disorders, and Destroy worms. At all druggists, 25c. Sample mailed FREE. Address Allen S. Olmsted, Lefroy, N. Y.

Occasionally a clergyman steps forward as an advocate of the liquor trade. When that is the case it proves that he is suffering from a bad moral twist that needs sadly to be straightened. What connection any such man can find between drink and the righteousness he is supposed to teach is beyond the comprehension of the ordinary mortal.

Have you a weak throat? If so, you cannot be too careful. You cannot begin treatment too early. Each cold makes you more liable to another and the last one is always the harder to cure. If you will take Chamberlain's Cough Remedy at the outset you will be saved of much trouble. Sold by all dealers.

Our mental faculties rust if we do not use them, or if we allow others to do our thinking for us. They can be kept in sound condition and strengthened only as we faithfully use them.
