Don't Scold. For the sake of your children don't do it. It is a great misfortune to have children reared in the presence and under the influence of a scold. The effect of the everlasting complaining and fault-finding of such persons is to make the young who hear it unamiable, malicious, callous-hearted, and they often learn to take pleasure in doing the very things for which they receive such tongue lashings. As they are always getting the blame of wrong-doing, whether they deserve it or not, they think they might as well do wrong as right. They lose all ambition to strive for the favorable opinion of the fault-finder, since they see they always strive in vain. Thus a scold is not only a nuisance, but a destroyer of the morale of children. If these unloved, dreaded people could only see themselves as others see them, they would flee to the mountains in very shame.

A Horrible Hold-Up. "About ten years ago my brother was 'held up' in his work, health and happiness by what was believed to be hopeless Consumption," writes W. R. Lipscomb, of Washington, N. C. "He took all kinds of remedies and treatment from several doctors, but found no help till he used Dr. King's New Discovery and was wholly cured by six bottles. He is a well man to-day." It's quick to relieve and the surest cure for weak or sore lungs, hemorrhages, Coughs and Colds, Bronchitis, La Grippe, Asthma and all Bronchial affections. 50c and \$1.00. Trial bottle free. Guaranteed by Forman & Keating.

Enemies. Go straight on and don't mind them. If they get in your way walk around regardless of their spite. A man who has no enemies is seldom good for anything; he is made of that kind of material which is so easily worked that every one has a hand in it. A sterling character is one who thinks for himself, and speaks what he thinks; he is always sure to have enemies. They are as necessary to him as fresh air; they keep him alive and active. Live down prejudice by right doing. If you stop to dispute, you do but as they desire, and open the way for more abuse. Let the poor fellows talk, there will be a reaction if you perform but your duty, and the sparks, which you do not blow, will go out of themselves, and those once alienated will look to you and acknowledge their error.

Don't Get a Divorce. A western judge granted a divorce on account of ill-temper and bad breath. Dr. King's New Life Pills would have prevented it. They cure Constipation, causing bad breath and Liver Trouble and ill-temper, dispel colds, banish headaches, conquer chills. 25c at Forman & Keating's.

THE "BLUES" known as the "Blues" is caused by actual existing conditions, but in the great majority of cases by a disordered LIVER.

THIS IS A FACT which may be demonstrated by trying a course of

Tutt's Pills

They control and regulate the LIVER. They bring hope and buoyancy to the mind. They bring health and electricity to the body.
