Third Annual School Fair. be held in Centreville on Thursday and Friday, November 5th and 6th. Lassies are busy with their needles and in the kitchens, and laddies are working earnestly on various models and crops, all to be exhibited at the third and greatest fair, which is less than four weeks distant.

The officials of the School Fair, too, are busy. From all parts of the county entry blanks are being received. They are also getting inquiries of all kinds regarding the various exhibits.

This year the exhibite are expected Prizes have been offered, as usual, in all the departments, but the ribbons will be sought for just as anxiously as the money prizes. The little ones covthis spirit being manifested the fair is
