Attraction to Arrivs at Centreville Land ing Comerrow Merning. To Stay a Week.

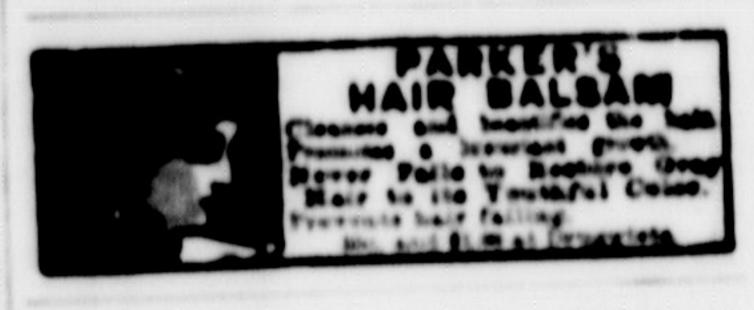

Perhaps the most unique of all traveling attractions that have ever visited Centreville will be the show in Centreville, all next week. To-morrow morning a fully equipped theatre, with stage, scenery, electric lights, auditorium, balcony and everything CIIT VAII WA that goes to make up an up-to-date opera house will arrive at Centreville Wharf. The theatre is built into a huge boat and is known as the "Floating Theatre."

It will arrive from Chestertown some time during the early hours tomorrow morning and anchor at Larrimore's Wharf at Centreville Landing. where it will remain for a full week. On board the "Floating Theatre" there will be twenty-four actors and actresses, a complete Marine Band and Concert Orchestra. The players will participate in seven complete plays, a different one to be given each night and a matinee Sarurday afternoon.

The first appearance of the marine band will be to-morrow afternoon at 4.30 o'clock, when they will render operatic selections on the Court House square. Every day ereafter there will be two concerns on the Court House square, one at noon and the other at seven o'clock.

Monday night the sensational Western drama, "Under Western Skies". will be the attraction at the "Floating That's One Bir Advantage Theatre." In Chestertown large The Edgar Allen Poe Literary Socicrowds have been in attendance this greatly pleased with the various pro-
