BALTIMORE'S BIST STORE

Howard and Lexington Streets

### Baltimore's Best Store Otters Absolute Security with Every Purchase

Whatever you buy at Baltimore's Best Store is returnable, within reasonable time, for refund or exchange, if you are not entirely satisfied with it.

This is not new. It was part of our policy when this store opened, nearly eighteen years ago, and It has been carried into effect every business day ever since.

It is this which makes this store an especially pleasant place to deal with by mail. With the best intentions in the world, you may order something and find that it is not what you want, or we may send you something which, upon examination, you find is not fully satisfactory. it is good to know that you are dealing with a store that "money-backs" no goods without question or argument.

May Be Able to Pass Dry Act. is not believed that the temperance advocates have enough votes in to pass a prohibition act. No one knows, however, unless it be Dr. Hare. he really knows. His methods very different from those of William H | Lee Estha Sparks Anderson have been to quietly influence candidates for the Legislature turing the primary and general election by concentrating the temper ance sentiment in each locality. It is na Walls. known that he has captured a good many members, how many being a question It may be that he himself does not know definitely whether all of those he has captured will stand fo

Cooper, Collier and Shepherd would vote for prohibition as against State wide local option, and it is known that Ogden opposes probi bition

Bearing in mind that 14 votes are needed to pass a bill through the Senate; that three recently elected Senators-Feter J. Campbell George Arnold Frick and William J. Norris are opposed to prohibition; that Frank M. Duvall, the new Senator from Anne Arundel, is likewise, and that George L. Kaufman, the new Senator from Frederick, is supposed to be "wet", it will be seen that prohibition is by no means assured, not counting the possibility that others of the new Senators may be antaconistic. ### PRINTING ALMANACS

WORKMEN NOW ENGAGED IN PRINTING 1916 EDITION OF THE OBSERVER RED Book

OBSERVER Red Book is progressing rapidly. Already a considerable por tion of the almanac for next year has been printed and valuable information and statistics are being compile with all the rapidity possible. Next week the presses will probably finish the work of printing the reading mat ter and then the composing rooms will be kept busy with the numerous advertisements to appear in the book. After the leaves containing the reading matter, and those with the advertisements are finished, the covers will be printed and the books w

This year every subscriber to THE OBSERVER will receive an almanac Last year the books were sent only those who wrote and asked for them system that many persons who were really anxious to get an almanac failed to write and were thus deprived of receiving one.

Consequently, this year THE OB-SERVER Red Book will accompany the issue of December 25th, as a supplement, and every paid-in-advance subscriber will receive one. The advertising forms will remain open only a few days longer, and those wishing to reserve space should write at once.
