

This Is The Kind You'll Be Writing Later On. I am a graduate of the Beacom Business College,

The benefits to me, arising from my association with this school, justifies me in passing the good word along to any one who is thinking of taking a business

personal-interest-element found here is worthy of the serious consideration of every boy and every girl who want to prepare for business. This interest is not only shown during attendance, but after graduation as well. This school secures good positions for its graduates It placed me with the Pennsylvania Railroad Com-

pany, at Wilmington, the day I graduated EDWARD M. COVINGTON. Former Graduate Centreville High School.

Graduates assisted to employment. Write for catalog. BEACOM BUSINESS COLLEGE. Wilmington, Delay are. Court House Square.

Electric Lights and All Other Electrical Conveniences For Every Home, Store and Building in Queen Anne's County

That is what the DELCO-LIGHT system now makes possible. A time-tried and tested electric plant that anybody can own and anybody can operate.
