MANURE SPREADER

Is simple in construction, and easy to operate. The wide spread attachment enables the farmer to spread a width of 73 feet. This spreader is easy to load because it is low-down.

Anyone who is in the market for a spreader cannot afford to lose the opportunity of examining the "Black Hawk" before placing his order elsewhere.

J. D. Frampton, painter, Chesterfield Ave. Centreville, says: "My kidneys were too frequent in action and I was forced to get up several times at night to pass the kidney secretions. The secretions scalded and were highly colored. My back gave me considerable trouble and whenever I stooped over sharp pains shot through the small of my back, I could see black spots and flashes before my eyes and at times I had spells of dizziness. I finally bought a box of Doan's Kidney Pills at Holland & Thompson's Drug Store and noticed relief from the first few doses. I took three or four boxes and was greatly
